MEMORANDUM

Date: June 1, 2022

To: Honorable Town Council

From: Melissa Cordeiro
COUNCIL CLERK

Re: Ana Isabel dos Reis Couto, RI Day of Portugal
Committee re Request to fly Portuguese Flag with a flag-
raising ceremony on June 6, 2022.

Please be advised that the Board of Canvassers office has reviewed the petition signatures for the Portugues Flag raising ceremony request. The board of Canvassers has determined that the above-mentioned petition is in receipt of 250 qualified voters as required by the Bristol Public Request Flag Policy adopted in 2020.

A copy of the policy is attached hereto.

Thank you for your attention on this matter. Should you have any questions, please do not hesitate to contact my office.

Town of Bristol Public Request Flag Policy

It is a policy of the Town of Bristol (Town) to raise the official Flag of the United States of America on the Town Hall flagpole and other municipally owned flagpoles. It is also policy of the Town to raise the flag of the State of Rhode Island and the Town of Bristol beneath the United States Flag per accepted flag etiquette.

The Bristol Town Council may allow third parties to fly flags on the Town Hall flagpole or other flagpoles owned by the Town in accordance with the following procedure:

1. Municipal flagpoles and flag-raising are forms of government speech. Accordingly, the Town, through the Town Council, has absolute and sole discretion to decide the content of any flag that is raised on a Town flagpole, in order for the message conveyed to appropriately reflect the values of the Town. See Shurtleff v. Boston, 928 F.3d 166, 172 (1st Cir. 2019).
2. Upon the receipt of a petition signed by 250 qualified electors of the Town, as verified by the Board of Canvassers, the Town Council shall entertain a petition to fly another federally recognized flag on a Town flagpole. Such federally recognized flag shall include the flying of a flag as provided in 36 USC 189a (POW/MIA flag) or the flag of an ally independent foreign state, dependency, or area of special sovereignty that is recognized by the U.S. Department of State. Because the federally recognized flag, when flown from a Town flagpole, will be considered the Town itself speaking, the Town Council may, at its sole discretion, grant or deny permission to fly the flag.
3. The federally recognized flag shall generally be flown only for a single 24-hour period, and such period will generally not be repeated more than once within any 12-month period. Federally recognized flags shall be flown underneath the Town of Bristol flag.
4. Such federally recognized flag may not exceed 15 square feet of area and must be provided to the Town, free of charge, by the petitioner(s) solely for this purpose. The flag must be a clean and serviceable flag that is sturdy enough to be flown on an outdoor flagpole in New England weather for at least 24 hours. The applicant must deliver the appropriate size flag to the Town Administrator's Office prior to raising and retrieve the flag from the Town

Administrator's Office after the raising. The Town will not be responsible for the flag, or any harm that comes to the flag, while it is in the possession of the Town. The Town is not responsible for flags that are not retrieved within 24 hours of being taken down from flying.

5. In requesting to fly a federally recognized flag, an applicant must include a description of the flag to be flown, a picture of the flag, the Town flagpole(s) sought to be utilized, the date requested for the flying of the flag, and whether a flag raising ceremony is requested.
6. At no time will the Town display flags (a) deemed to be inappropriate or offensive in nature; or (b) those supporting discrimination or prejudice; or (c) flags in support of a politician or a political party; or (d) flags supporting a particular religious denomination or that would be understood as constituting an establishment of religion under applicable court precedent.
7. If a flag raising ceremony is requested and approved, all flag raising ceremonies and events must be open to members of the public. Guests must adhere to Town policy not to discriminate on the basis of race, sex, religion, or any other class protected by law.
8. Flag raisings must ordinarily occur on a normal business workday, generally between the hours of 10:00 am and 3:00 pm. Requests to raise a flag on a Saturday, Sunday or holiday will normally be referred to the business day before or after the weekend or holiday.
9. If ordered by the Town Administrator, all flags, including the applicant's flag, must be lowered to comply with the U.S. Flag Code.
10. Applicants may be required to pay cleaning/custodial or other costs, as well as police detail fees or event permit fees, depending on the scale of any flag raising event.
