RE: National Grid and Verizon – Chestnut Street Installing new pole (P3) to feed
new development at #27 Chestnut Street

Mr. Administrator,

I have reviewed this petition and I have no issues with the installation of a new utility pole at the intersection of Hope Street and Chestnut Street. I would recommend that the Honorable Town Council grant this request.

Please advise if you have any further questions or concerns.

Respectfully submitted,

Christopher J. Parella
Director of Public Works
