Zoning Board of Review

STAFF REPORT FOR:

FILE NO. 2025-34

APPLICANT: Shannon Defusco

LOCATION: 1 Shannon Court, Unit 102

PLAT: 94 **LOT:** 67 **ZONE:** M

APPLICANT IS REQUESTING A USE VARIANCE TO:

Operate a recreational golf simulation business use within the Manufacturing (M) zoning district.

COMPREHENSIVE PLAN REVIEW:

As this application is for a use variance, it requires review by the Planning Board or its Technical Review Committee (TRC) per Section 28-409(b) of the Zoning Ordinance.

FINDINGS AND RECOMMENDATIONS BY STAFF:

The applicant is requesting a use variance to operate a recreational business use within the Manufacturing (M) zoning district. This property is located on the southerly side of Shannon Court and the easterly side of Ballou Boulevard within the East Bay Industrial Park (see attached GIS map depicting property). The property is improved with a 12,000 square foot commercial building containing four individual business spaces. Current occupants of the building include an electrical contractor and a dance studio. The most recent occupant of unit 102 was an industrial equipment wholesaler, which is a permitted use in the M zone. The applicant proposes to operate a private commercial golf simulation business where clients would use electronic golf simulation technology to train and practice the game of golf. I have determined that the proposed use most closely resembles a "recreational or athletics school" use as defined in Section 28-1 of the zoning ordinance. This type of use is not permitted in the M zone per the Permitted Use Table found in Section 28-82 of the zoning ordinance. The applicant has noted that this unit within the building has been vacant for some time and that the proposed use would not disrupt the character of the surrounding industrial park.

The Technical Review Committee (TRC) of the Bristol Planning Board has not yet reviewed this application. The TRC is scheduled a meeting with the applicant for Thursday October 2, 2025. A follow up memorandum regarding the TRC meeting will be forwarded to the Board prior to the public hearing on this application.

variance requested per Section 28-82, Permitted Use Table. Indoor recreational use in the Manufacturing zoning district.

Describe the extent of the proposed alterations and the reasons for the requesting relief
I am the owner of a commercial unit located at 1 Shannon Court, Bristol, Rhode Island. This unit is within the Town's industrial/manufacturing district. I am seeking a use variance (or zoning relief) to allow the use of this property for a golf simulation business.

The intended use of the unit is to create an indoor recreational space where residents can utilize state-of-the-art golf simulation technology for practice, training, and leisure. The business will operate primarily as a recreational private facility, offering hourly rentals of golf simulator bays. The use will be low-impact, with minimal noise and no heavy traffic, and will not interfere with surrounding industrial/manufacturing uses. The property will remain in good standing, safe, and compliant with all building codes and regulations.

The reason for the requested zone change is based on demonstrated financial hardship. Despite consistent efforts to market and lease this unit in accordance with the current industrial/manufacturing restrictions, it has proven extremely difficult to secure a tenant under the Town's strict regulations. The demand for industrial/manufacturing tenants for this specific unit has been limited, and as a result, the unit has remained vacant. This vacancy has created significant financial strain, as I continue to incur carrying costs without rental income.

The proposed golf simulation business represents an opportunity to both activate an otherwise unoccupied space and provide a recreational amenity for the community. Allowing this use would reduce vacancy in the industrial park, generate tax revenue for the Town, and help support the vitality of the area without disrupting its character.

For these reasons, I respectfully request consideration of my application for golf simulation use at my property in unit #102.

The respective tenant will present a detailed business plan at the zoning meeting.
