6. Description of proposed work:

We just purchased 66 Frankling from Paul Bishop. Project is to add a gate and fence sections across our driveway. Installation to be ~ 40 feet down the driveway from the sidewalk -- about where the back of my vehicle is in the attached photo. Project will have a fence section immediately adjacent to the house then have twin 5' wide gates across the driveway, then a fence section immediately adjacent to the neighbor's existing wood fence. Fence style: Master Halco brand, Montage Genesis style, 4 ft high. This closely matches the existing decorative fence that is in the front of our home (see photo). Material is black powder coated steel - same as existing fence at front of our home. This project will be purchased (material & installation) from Fence Depot in Warren RI.
