Honorable members of the Council,

In accordance with our responsibilities to make sure that we are able to provide members of our community with a dignified and respectful place to memorialize our dead, we as a committee are pleased to announce the purchase of two (2) new columbarium for the Cremation Garden at North Burial Ground. We also have plans to purchase more Bronze Niches units to surround the pond in the garden and are in the process of clearing and mapping a new section (Section D) for full burials.

These changes have led to the need to make some financial adjustments.

Sincerely,

A handwritten signature in black ink, reading "J. Jacob Cabral".
