DIRECTOR OF PUBLIC WORKS

RE: Carol Krushnowski, 9 Fenmore Road, re – request to finish and pave Fenmore Road

2023 OCT 30 PM 1:27

TOWN CLERK'S OFFICE
BRISTOL, RHODE ISLAND

Mr. Administrator,

I have no objection to this request as long as the engineering study does not reveal any exceptional circumstances that would adversely impact adjacent properties. I would also insist that the engineering and design of this project include underground drainage that would tie into the existing infrastructure. Additionally, I would request that the road specifications allow for large municipal and emergency vehicles to conduct business.

I would recommend that the Honorable Town Council grant this petition as the continuation of Fenmore Road would improve traffic flow and the safety of vehicles and pedestrians. It would also increase the efficiency of the DPW's services (snowplowing, trash pick-up, etc.)

Please advise if you have any questions or concerns.
