Mount Hope Trust in Bristol	Todd Newman	FT Construction

Property Owner (If Different from Applicant)	Owner Mailing Address (If different than Project Address)
	PO Box 66

Work Category:	Replacing in Kind
----------------	-------------------

Description of proposed work:
Replace existing wooden garage door with more appropriate wooden barn door on the historic barn. The door specs are: 1- 137 1/2"w x 102"h Western Red Cedar Swing Door Pair, Richmond Design with Windows, to install in your finished opening including: Acorn Mfg RI8BP Strap Hinges, Center Astragal, Perimeter Stop, Sweep, Head and Foot Bolts The current door is not at all representative of what a barn door in the 1800s would have looked like. The new door will provide simpler functionality and an overall improved aesthetic. The door we are hopoin to procure is called the Richmond and I am attaching an example of it.
