

PETITION TO THE TOWN COUNCIL

To the Honorable Town Council of the Town of
Bristol: The undersigned hereby respectfully
requested of your Honorable Body that:

DATE RECEIVED

Reimbursement for filling Sink hole in my Backyard
Due to Storm Drain in Street Dumping into my YARD.
Property is 7 KAREN ANN DR, I had DPW out Several
Times, last time was Sept and they said they needed
to send a camera in to locate the break or what is
going on. I am ORIGINAL OWNER from 1986 and familiar
with the lot. I have filled this Sink hole for years,
not knowing there was water 2' feet down until I had
someone come to fill it, he dug a little bit and
hit water. We did not know where it was coming
from until an old timer he knew said look for drains.
We did and found storm drain in road with 4 pipes
in it. (1) going down road (2) continue down road (3) coming
from across street (4) dumping into my yard. I asked
DPW worker (supervisor) to just cap it so the water
stops coming in. He said that would be easy fix but he
needed to see the break. We're still waiting, in meantime
the land is slowly sinking again. Here is Bill for \$600.⁰⁰
for filling it this summer/spring.

PLEASE NOTE:

Please ensure that your petition is submitted
by 4:00 PM, two (2) Wednesdays before the

cording to Council policy, petitions cannot
