

PETITION TO THE TOWN COUNCIL

To the Honorable Town Council of the Town of Bristol:
The undersigned hereby respectfully requested of your
Honorable Body that:

BRICK Pizza Co. is seeking the approval of a 1:00 am Liquor License.

We are proposing an amendment to:

(4) For B-V, there shall be a maximum of 32 licenses.

a. The establishment granted this license must close every day no later than 11:00 p.m. Any establishment that has a pre-existing license that allows a closing time later than 11:00 p.m., and wishes to maintain such later closing time, shall remain subject to all previous conditions, including without limitation, with regard to service of food during all of the time that alcohol is being served....

This amendment is to allow establishments with new liquor licenses to be eligible to request a later closing time on or after the review performed by the council six months from the date of issuance (stated in paragraph (f.))

Brick Pizza Co is pleased to offer a variety of gluten-free options on our menu. However, we are not a gluten-free restaurant and cannot ensure that cross contamination will never occur. We have processes in place to minimize that happening but there is a great deal of gluten in the air and on our work surfaces.

A 2% service charge will be added to every check to help support our culinary team.
