Re: Request for Continuance of Public Hearing – Zoning Variance

Dear Members of the Zoning Board of Review,

I am writing to respectfully request a continuance of the public hearing currently scheduled for February 2, 2026, regarding the variance request for 80 Charles St.

The request for a continuance is made to allow additional time to gather supplemental information and to consult with professionals. Granting this continuance will help ensure that the Board has complete and accurate information to fairly consider the variance request and will support a more productive hearing process.

I respectfully request that the public hearing be continued to the next available meeting date. I understand that this request may be subject to procedural requirements and will comply with any conditions the Board deems necessary.

If the continuance is granted, please be advised that my attorney, Michael J. Riley, will be representing me at the rescheduled hearing.

Thank you for your time and consideration. Please do not hesitate to contact me if additional information is required.

Sincerely,

Kathleen Hunt
