RE: The Nest, New Sidewalk use License 2023-2024 Application

Sir,

I have reviewed the new Sidewalk use application for "The Nest" formerly, Tinkers at 29 State Street. This is a new first-time application for the new business. The Application was complete with Architectural drawn diagram and measurement.

I responded along with Lt. Wozny to 29 State street and viewed the area, as well as verified all measurements on the diagram.

I recommend that the Sidewalk Use Licenses be granted.

Respectfully,

Raymond C. Falco
Code Compliance Coordinator
