Concrete Bin Block

2'x2'x6' Concrete Bin Blocks are a generic term to describe interlocking, stackable concrete blocks. Made with leftover concrete and a great low-cost alternative to jersey barriers, Concrete Bin Blocks carry many names: Ecology blocks, lug blocks, mafia blocks, knob blocks, v-blocks, waste blocks, storage blocks, and others. Pair this with our [Concrete Block Lifter \(https://48barriers.com/products/bin-block-lifter/\)](https://48barriers.com/products/bin-block-lifter/) to easily assemble the structure you need.

Bin Block dimensions vary by location.

Dimensions:

2' H x 2' W x 6' L (Full Block) Weight: Approx. 3,600 lbs
2' H x 2' W x 3' L (Half Block) Weight: Approx. 1,800 lbs

Various sizes available depending on location:
2.5' H x 2.5' W x 5' L Weight: Approx. 4,700 lbs

A hand-drawn diagram of a cell. The cell is roughly rectangular with a dashed border. Inside, there are several organelles: a large, oval nucleus with a smaller, darker oval inside it; a bean-shaped mitochondrion with internal folds; a Golgi apparatus consisting of three stacked, oval sacs; a lysosome, which is a small, circular organelle; and a large, clear vacuole. Labels with arrows point to each of these structures.

MEMORANDUM

TO: Steven Contente
TOWN ADMINISTRATOR

FROM: Melissa Cordeiro
COUNCIL CLERK

DATE: May 19, 2023

RE: Zack Rivers, Judge Roy Bean, 1 State Street -
Request for State Street Seasonal Outdoor Expansion
with Alcohol Service License

May we please have your recommendation or the recommendation of the department head you deem appropriate in order for the Council to review the request at the regular Town Council Meeting to be held tentatively on **May 31, 2023**.

All items for this docket must be received in the Clerk's office before 12:00 noon on Wednesday, May 24, 2023. All and any items received after the deadline will be held until the next council agenda.

Thank you for your cooperation and prompt reply.
