**NOTES:**

I have reviewed the Seasonal Outdoor Expansion with alcohol service license request for Foglia. After conducting a review, there is no known reason for denial of this license provided that all laws and ordinances governing this practice are followed. Alcohol service will need to be kept in the designated area only. The outdoor dining area will need to have signage displayed advising patrons to keep all alcoholic drinks in this designated dining area. Alcoholic drinks should not be served past the kitchen operating hour. Additionally, this dining area will need to conform to all ADA requirements.
