RE: Request for Victualling License – Brian Dwiggins; Borealis Coffee Company, 500
Wood Street (Unit 113) Bristol, RI 02809

Communication with Brian Dwiggins has been established, I have approved plans for a W-500-IS Big Dipper Automatic Grease Trap to be installed, and the business' classification within the IPP program is being established. Brian is also aware of the need for a final inspection once construction is completed.

I therefore see no reason for the above petition to not move forward with regards to the IPP.

Sincerely,

Shealyn A. Davey, Pretreatment Coordinator
