**SUBJECT:** CRMC PUBLIC NOTICE 2021-08-006, 484 POPASQUASH ROAD, BRISTOL RI

The owners of 484 Popasquash Road, Andrew Dixon and Sarah Cassells have a request to CRMC to construct and maintain a high fetch residential boating facility consisting of a 110ft pier extending 50ft passed the mean low water mark. The extra 50ft will allow their floating terminal float to have 4ft depth of which will allow enough water to dock their boat at low tide.

I have surveyed the area where their residential boating facility is to be built and concur with the engineer they additional 50ft will be needed to safely dock their boat. My recommendation is for the boating facility to be built as designed by the engineer.
