On 12/11/23 at approximately 0445 hours, I responded to Collins St for reports of a tree in the roadway. Upon arrival I observed a large Town tree across the roadway that was uprooted due to a wind/rain storm in front of 16 Collins St.

The tree fell in a northerly direction and landed on a blue Dodge, bearing RI passenger registration RC453, which was parked on the south side of the road in front of 16 Collins St as well as a gray VW, bearing RI 565059, which was parked on the north side of the roadway in front of 15 Collins St. The Dodge sustained damage to the rear end of the vehicle to include the back window and trunk area. The VW sustained damage to include broken windshield as well as damage to the hood, roof, and trunk area.

The registered owner of the VW Joseph Furtardo() was notified and provided his insurance information (AllState #025540213). I attempted several times to make contact with the registered owner of the Dodge, Richard Correira () with negative results.

DPW arrived on scene and removed the tree from the roadway.

All parties we advised a report would be placed on file.
