MEMORANDUM

Date: April 12, 2023

To: Honorable Town Council

From: Melissa Cordeiro
COUNCIL CLERK

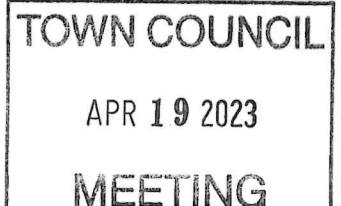

RE: Ordinance amendments to parking violation schedule

Upon reviewing the town code, it has been identified that several parking violations are described in the town ordinances but are not clearly identified on the parking violation schedule.

I am requesting an amendment to the parking violation schedule in order to clearly identify these fees and fines related to parking violations.

The amendment will provide greater clarity and transparency for residents and visitors who use our town's parking facilities and public roads. It would also help to ensure that parking violations are clear and effectively enforced.

Should you have any further questions, please do not hesitate to contact my office.
