Dear Members of the Bristol Town Council,

I hope this letter finds you well. I am writing to express my sincerest apologies for my absence at today's town council meeting. Due to unforeseen circumstances, I was unable to attend, but I wanted to take this opportunity to share my excitement and intentions regarding my decision to establish a family-run Peruvian restaurant in the beautiful town of Bristol, Rhode Island.

Bristol is a town that has long captivated with its stunning coastal views, rich historical heritage, and vibrant community spirit. The unique charm and welcoming atmosphere of Bristol make it the perfect location for our restaurant, where we aim to introduce the rich flavors and culinary traditions of Peru to the local community and visitors alike.

Peruvian cuisine is celebrated for its diverse and flavorful dishes, and we are committed to offering a Menu of Autor that highlights the creativity and authenticity of our culinary heritage. Our goal is to create a warm and inviting space where patrons can enjoy exceptional food and drinks, making lasting memories with family and friends.

Securing a full alcohol license is crucial for our restaurant's success, as it will allow us to offer a complete dining experience. We plan to serve carefully crafted cocktails, fine wines, and traditional Peruvian beverages that complement our menu perfectly. The bar will be an integral part of our establishment, providing a cozy yet sophisticated setting for guests to relax and enjoy our culinary offerings.

We are deeply grateful for the support we have received from the Bristol community thus far. Your encouragement and enthusiasm have been invaluable, and we are committed to becoming a cherished part of this town. We aim to contribute to the local economy, create job opportunities, and engage actively in community events and initiatives.

I regret not being able to attend the meeting to express these sentiments in person and to address any questions or concerns you might have. Please know that I am fully dedicated to making this venture a success and to being an active, engaged member of the Bristol community. I am available to meet at your convenience to discuss our plans in greater detail and to seek your guidance and support as we move forward.

Thank you for your understanding and continued support. I look forward to the opportunity to speak with you soon and to bring a taste of Peru to the wonderful town of Bristol.

Warm regards,

Alicia V Saldana
