Dear Mrs. Medeiros and Bristol Housing Commissioner Members,

I write to inform you that I must leave my position as a member of the Bristol Housing Commission.

I have greatly enjoyed being a part of this group to aid the elderly residents of our town, but my husband's health has declined to a point where I can no longer serve. I will leave the council on April 30th to give you some time to fill the position.

Sincerely,

Dr. Helen Barboza
