I would like to be appointed to the position because:
To Chairman Calouro & the Members of the Town Council,

I recently moved home to Bristol after living out of state for the past seven (7) years and am looking to re-engage with our community through an appointment to a Town Board or Commission. During my time out of state I was fortunate to be appointed to the Arlington, VA County Commission on Parks & Recreation, serve as a liaison to the County Long-Range Planning Board and was an active member of the Aurora Highlands Civic Association. I am hoping to continue serving as a civic volunteer and hope to make positive impact on my hometown now that I have returned.

While I have identified specific vacancies above, please note that I am open to being considered for most/any vacancies that the Town Council is currently looking to fill, and believe my background and experience could prove beneficial to a variety of initiatives
