

Levy/Keating - 30 Summer St., Bristol, RI – Back Yard Structure Replacement – 12 x 16 Oval Gazebo

12'x16' Gazebo

Number of posts = 11  
Number of floor sections = 8

Oval Dimension Table				
Sizes	A	B	C	D
12'x16'	144"	192"	48"	42 <sup>3</sup> / <sub>16</sub> '

Legend	
◻	= Gazebo post location
□	= Recommended location of foundation piers or concrete slab foundation
—	= 2x6 #1 SYP floor joists
#	= Stake placement order
•	= Stake location

**NOTE --**

A full rectangle of 12 x 16 would have just 192 sq. ft.  
The 12 x 16 Oval Gazebo has even less because of the four triangular slices whose footage is not included because they are *cut off at each corner*.
