Customer Signature

Date

Signature indicates approval of this design and data as is, and client assumes the responsibility of any and all incorrect information shown in this proposal. Please review contents carefully.

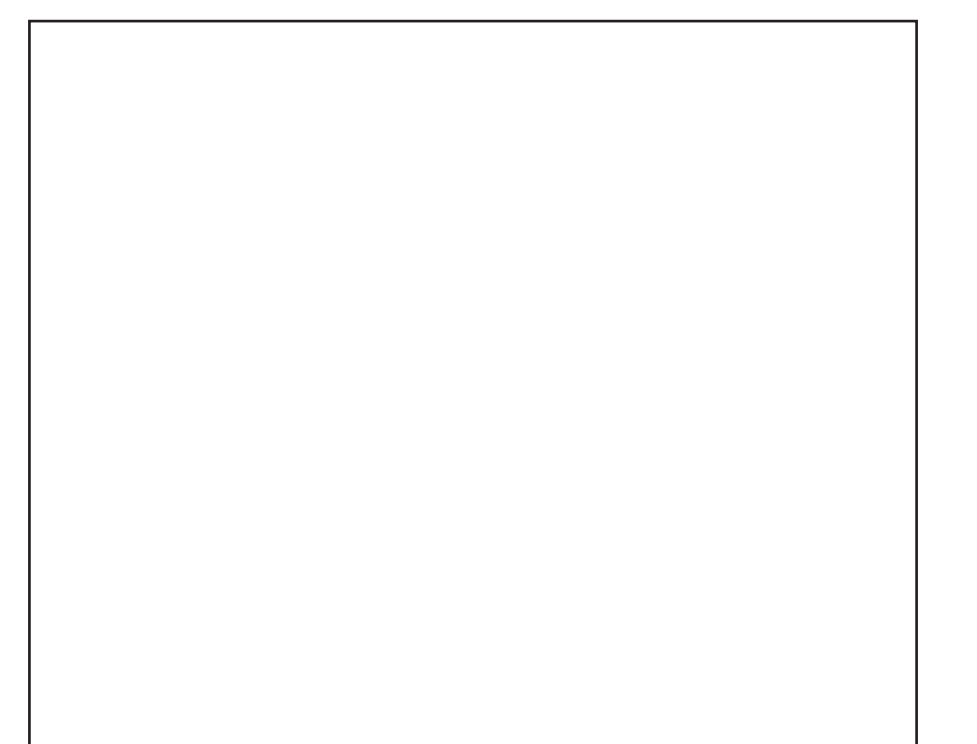

This rendering is computer generated. Drawings are to scale using actual colors but images may appear slightly different on your monitor or printer depending on the model. We have made every effort to make this to your specifications, but please take a moment and make sure we have it right. This is an art proof that is designed to meet the approval of the customer, once approval is granted, we at Hill House Graphics, LLC are no longer liable for typographical and/or design layout errors. Please do not give approval until it meets your requirements. You will be held financially responsible for this order when we receive your approval.

This design belongs to Hill House Graphics, LLC and becomes the property of the customer only upon completion of an order, is otherwise not to be used in whole or part without written permission of Hill House Graphics, LLC.
