

**EXTERIOR SIGN
PROPOSED MATERIALS LIST**

- **Sign Body**
 - MDO box with steel structure.
 - Black Painted 1" HDU board with 3/4" raised outside border in gold leaf.
 - Note the drawing's own cedar, but given that the Town would like to match the existing black painted signs in other areas of Town, an HDU (High Density Urethane) board would be appropriate for rot-resistance.
- **Lettering**
 - Building Title: 3.5"H Carved raised lettering in gold leaf.
 - Building Address: 2"H carved incised lettering in gold leaf.
 - 9" raised circle plaque – Town Seal (if desired).
- **Base**
 - Concrete base with brick veneer to match the existing building.
 - Stone cap to be brownstone to match the existing building.
