### NARRATIVE / GIST

On 01/21/26 at 1258 hours I responded to Police Headquarters for a damage to vehicle report. Upon arrival I met with Ronald Poisson [REDACTED] who advised his vehicle was damaged while on town property during the snowstorm on 1/18/26. Poisson stated his vehicle was parked unattended in the rear lot of the Byfield School, 220 High St. as there was an active parking ban. Upon going to retrieve his car on 01/20/26 he observed his windshield and top of his vehicle to have significant damage from heavy snow that had fallen from the roof of Byfield School. Poisson advised he secured the vehicle as best as he could and then responded to Town Hall to advise them of the incident. Poisson was then advised to respond to Police Headquarters to report the incident. Poisson completed a written statement, and I then responded to his residence, 61 Constitution St. to take photographs of the vehicle. Due to Poisson covering the windshield with a large piece of cardboard to protect the interior, the damage was unable to be viewed.
