Bristol Town Council
Bristol Town Hall
10 Court Street

Honorable Council Members:

I am asking for consideration to provide a dedicated parking space at the exit of Franklin Court Independent and Assisted Living that would allow better visibility when leaving the lot.

At the present time there are two no parking spaces at the west side of the exit and there is no doubt that the additional space granted by the town council has improved the situation. However, in the past several weeks large vehicles have parked in the first space after the no parking spaces and it has made the exit very difficult and at times dangerous.

The addition of a parking space after the two "no parking" spaces that is designated "compact vehicles only" would improve the situation immensely. Please consider this request for the safety of our residents, visitors and all vehicles exiting the lot.

Thank you for your consideration.
