BRISTOL, RHODE ISLAND

2025 OCT - 1 AM ID: 41

DATE RECEIVED

PETITION TO THE TOWN COUNCIL

To the Honorable Town Council of the Town of Bristol: The undersigned hereby respectfully requested of your Honorable Body that:

Marina Parking Lot Off Season & Fee for Ferry Commuters

The Prudence Island residents are appreciative of the use of renting parking spaces in the marina parking lot off season, however for many islanders the \$150/month cost is a financial hardship, especially for the commuting workforce and senior residents who need to mainland access for medical and important personal needs. Last season not all the spaces were rented because the high cost was not affordable.

- For your consideration we ask that there be an adjustment of the monthly cost of the Off-Season parking from \$150 per month to \$75 per month.
- The program is currently 4 months December – March. We also ask that the winter season be extend to 5 months, because the off season runs from November 16th – April 14th.

Marina Parking Lot “Drop off” for Ferry Commuters

There have been several ferry passengers who drive into the ferry parking lot to unload at the ferry office window or onto the ferry and within a few minutes return to their car with a \$30 parking ticket.

- Request to allow ferry passengers to place a “Drop Off” sign on their dashboard or turn on the car emergency flashers while they are at the ferry office window or unloading at the ferry dock, so the Harbor Officers know the intention is to not to illegally park and the vehicle would not be ticketed.

PLEASE NOTE:

Please ensure that your petition is submitted by 4:00 PM, two (2) Wednesdays before the Town Council meeting scheduled for Oct 22, 2025 @ 7 pm

in order to be included on the docket. According to Council policy, petitions cannot be addressed unless recommendations, if needed, from the relevant departments are received before the Council meeting

Dear Denise,

I am writing to inform you that your petition regarding off-season parking fees, off-season month modification, and the designated drop-off location has been rescheduled. Potential scheduled for the October 22, 2025 Town Council meeting, the matter will instead be taken up at the November 12, 2025 meeting.

This adjustment is necessary to ensure that your petition receives proper consideration. Specifically, the item requires a recommendation from the Harbor Commission, and it does not meet the deadline to be included on their upcoming agenda. By moving it to November 12th, the Council will have the benefit of the Harbor Commission's input when reviewing and discussing your request.

Thank you for your patience and understanding. Please feel free to reach out if you have any questions.

Best regards,

Melissa Cordeiro

Town Clerk
