**STAFF REPORT FOR:**

FILE NO. **2024-23**

APPLICANT: Michael V. Porco

LOCATION: 11 Meadow Lane

PLAT: 66                      LOT: 26                      ZONE: R-20

**APPLICANT IS REQUESTING DIMENSIONAL VARIANCES TO:**

Construct an 8ft. x 10ft. accessory shed structure with less than the required rear yard and less than the required right side yard.

**COMPREHENSIVE PLAN REVIEW:**

As this application is for a dimensional variance, it does not require review by the Planning Board per Section 28-409(b) of the Zoning Ordinance.

**FINDINGS AND RECOMMENDATIONS BY STAFF:**

The applicant is requesting dimensional variances to construct an 8' x 10' accessory shed structure on this residential property located on the southerly side of Meadow Lane. This property is improved with a single-family dwelling, rear deck and above ground swimming pool. The applicant proposes to construct a shed structure in the rear southwest corner of the property for use in storing yard and personal items. The proposed structure would be located 2 feet from the rear and right side property lines. These property lines are demarcated by an existing 6 foot high solid vinyl fence, and the proposed shed would be located two feet from the fence. The zoning ordinance permits accessory structures in the R-20 zone with a minimum setback of 6 feet from side and rear property lines.

Re: Statement for Variance Application

Property Address:

11 Meadow Lane  
Bristol, RI 02809

To whom it may concern,

I am requesting a variance to the six-foot setback requirements for accessory structures (SEC 28-142). I would like to install an 8' x 10' accessory shed in the right-hand corner of my back yard with a 2' set back from the property line. The shed will be used to store lawn, yard, pool equipment, bicycles and other sundry items. I am asking for a variance to the 6' requirement because this setback would put the shed too far into the center of my back yard. Currently there is 6' vinyl fencing around the perimeter of the property and various shrubs and trees obscuring the views to neighboring properties. Considering the size of the lot, the height of the fence and neighboring trees and shrubs, 2' still gives me access to the sides and rear of the shed and is a reasonable compromise. Please consider this variance as it would greatly enhance the utility of the property. Thank you for considering my application.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael V. Porco', with a long horizontal flourish extending to the right.
