

## **Floor Area Ratio – Bristol**

### **Article I. In General.**

#### **Sec. 28-1. Definitions.**

*Amend as follows:*

\* \* \*

*Floor area ratio* is determined by dividing the gross floor area of all buildings on a lot by the area of that lot. Any portion of a basement as defined in RIGL § 45-24.3-5 shall be excluded from this calculation.
