RE: Request for Victualling License (New Location) – Brian Sadler; Gray’s Ice Cream,
LLC; 467 Hope Street

TOWN CLERK'S OFFICE
BRISTOL, RHODE ISLAND

This business location is in good standing with no violations and does not require a wastewater discharge permit at this time, because there is no cooking of any kind, no production of ice cream, and all containers are disposable and do not require washing. I have spoken to Brian directly and nothing about the “process” will be changing in this new location.

I therefore have no objections to the above petition and support the request.

Sincerely,
