Bartonville Police Department/Racial Profiling and Analysis Report
January 1, 2022 - December 31, 2022

Executed January 11, 2023

Racial Profiling Report

1. The Texas Code of Criminal Procedure, Article 2.134 Compilation and Analysis of Information Collected, requires law enforcement agencies to collect specific data on traffic stops, and report that data to the Texas Commission on Law Enforcement (TCOLE) and their governing body on an annual basis. The TCOLE report is due no later than March 1 of each year. While no timetable is established for council reporting, the report has traditionally been provided in February or March.
2. The attached report indicates that the department files a full report, since we regularly capture traffic stops on video camera. Videos are then stored for a minimum of 90 days.
3. The department must implement a process by which an individual may file a complaint or compliment with the Bartonville Police Department if the individual believes that a peace officer employed by the Bartonville Police Department has engaged in racial profiling with respect to the individual.
4. The department must provide public education relating to the agency's complaint process.
***Compliment / Complaint card, packet available in town lobby, and a link on department website.**
5. Requires appropriate corrective action to be taken against a peace officer employed by the Bartonville Police Department who, after an investigation, is shown to have engaged in racial profiling in violation of the Bartonville Police Department's policy adopted under this article.
6. The report further details the number of stops resulting in motor vehicle stops in which a ticket, citation, or warning is issued and to arrests made as a result of those stops. The report breaks down the race or ethnicity of drivers stopped, whether race or ethnicity was known prior to the stop, whether a search was conducted, the number of searches that would be considered as consensual, whether the peace officer used physical force that resulted in bodily injury, the location of the stop, and the reason for the stop. ***See included document.**
7. The Chief Administrator must include a comparative analysis of the information compiled under Article 2.133 C.C.P. to evaluate and compare the number of motor vehicle stops, within the applicable jurisdiction, of persons who are recognized as racial or ethnic minorities and persons who are not recognized as racial or ethnic minorities. Examine the disposition of motor vehicle stops made by officers employed by the agency, categorized according to the race or ethnicity of the affected persons, as appropriate, including any searches resulting from stops within the applicable jurisdiction. Evaluate and compare the number of searches resulting from motor vehicle stops within the applicable jurisdiction and whether contraband or other evidence was discovered in the course of those searches. ***See included document.**

The department received no racial profiling complaints in 2019.
