FALL 2025 - LANDSCAPE ENHANCEMENTS Evergreen Lawn & Landscape is proud to present a landscaping enhancement plan for the Town of Bartonville. Our goal is to elevate the community's visual appeal while improving safety and long-term sustainability in public spaces. Project includes installing new landscape beds throughout key town areas to create a welcoming and well-maintained appearance. These enhancements are designed to reflect the town's charm and provide year-round visual interest. We will incorporate decorative boulders and natural river rock, and low-maintenance plantings to protect high-traffic corners and preserve landscape integrity.	1	0.00	0.00
