

COMMUNITY DEVELOPMENT CORPORATION COMMUNICATION

DATE January 17, 2024

FROM: Thad Chambers, Town Administrator

AGENDA ITEM: Consider and act regarding the Old Town Landscaping project.

Summary:

At the December 13, 2023, BCDC Meeting, the Board discussed potential next steps of the landscaping project. Chair Van Alstine stated he would research possible shrubs and trees and bring a list to the next meeting.

Chair Van Alstine provided the following list of potential landscaping items:

Plants:

- Thornless prickly pear
- Blue Grama Grass
- Variegated Yucca

Small trees/shrubs:

- Texas Mountain Laurel
- Eves Necklace

To plant larger trees, we would obviously need to remove the asphalt below the root system.

Watering with shallow roots: less time more frequently.
