Jan 30, 2024 2:43 PM 870 belnheim dr	Dog bite occurred 12/20/2023, reported today. Victim: Yusuf Mohamed, yusufm062@gmail.com  House is currently under construction so the dog no longer lives here. Dog is UTD on rabies vax, per owner, but records are not with her since she is not living here. Paramjit Mattu, 214-724-1991	Animal Control

Jan 23, 2024 1:30 PM 900 Hat Creek Court	We received a call about a barking dog at this location. I have been on sight for 20 minutes + and have not heard any dogs at all. The houses are on multi acre lots, I not even sure if a dog could bark loud enough to be considered a nuisance given the significant distance between the homes.	Animal Control
