

CITY OF BUCHANAN

**TRAFFIC CONTROL ORDER # 261**

**DESCRIPTION OF EXISTING CONDITIONS OR PROBLEM:**

Currently there is parking allowed on both the north and south sides of E. Dewey St between Main St and Short St. This section of the roadway was also recently restructured to provided parking slots on the south side of E. Dewey St. However, vehicles parking on the north and south sides on E. Dewey St between Main and Short streets is causing the obstruction of east and west bound traffic, especially for emergency response vehicles.

Pursuant to authority of Section 2.53 of the Uniform Traffic Code, Ordinance #192 of the City of Buchanan, effective March 23<sup>rd</sup>, 1971, and as amended by Ordinance #201, effective April 10<sup>th</sup>, 1972; the following Traffic Control Order is hereby established:

**The north side of E. Dewey St between Main and Short streets shall be a “no parking” zone. Place several “No Parking” signs on the north side of E. Dewey St between Main St and Short St to increase the safe flow of motor vehicle traffic, especially for emergency response vehicles.**

Dated 1/5/26 Chief of Police Harvey J. Burnett, Jr.

Filed with City Clerk \_\_\_\_\_ Date \_\_\_\_\_

Approved by Commission \_\_\_\_\_

\*Traffic control orders issued by the Chief of Police are temporary orders for 90 days until approved by the Commission. Once approved by the Commission they become permanent orders.
