## Front Street Retaining Wall Construction

### Bid Tabulation

**October 28, 2024**

The project consists of demolition of an existing timber retaining wall and construction of a new concrete retaining wall along with removal and replacement of existing sidewalks. The bid documents specified the work to be completed by December 20, 2024 with an option to provide an alternate completion date. The bids were as follows:

- **Selge Construction Co., Inc** **\$ 460,123.95**  
Niles, MI

Selge proposed an alternate work completion date of May 1, 2025

- **Milestone Contractors, L.P.** **\$ 523,268.40**  
South Bend, IN

Milestone proposed the wall to be completed 12/20/24 and the railing for the project to be fabricated and installed by 2/28/2025.
