

Buchanan Water Monthly Report for March 2025

- **We completed the M.O.R. and two sets of Bacti samples to stay in compliance with EGLE.**
- **I inspected 157 houses for the CDSMI program from EGLE.**
- **We marked 87 different addresses for Miss Dig. Water, Sewer and Storm Drains we marked at each address.**
- **Responded to 12 service calls from residents.**
 - **I assisted with the downtown construction project. Helping figure out water and sewer lines.**
- **Had many interviews for the water operator job. I hired a local young man, who I think will be a great fit in the water dept.**
- **I attended a few meetings about the water/sewer policy. These haven't been updated in years.**
