Article 1 **Purpose and Intent**

The general purpose of this Agreement is to set forth the terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the employees, and the Union.

The parties recognize that the interests of the community and the job security of the employees depend upon the Employer's success in establishing and providing proper service to the community. To these ends, the Employer and the Union encourage to the fullest degree friendly and cooperative relations between their respective representatives and among all employees.

In this Agreement, words in masculine gender shall be held to include either masculine or feminine gender.

Article 2 **Recognition**

Pursuant to and in accordance with all applicable provisions of 1965 P.A. 379, as amended, the Employer hereby recognizes the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement for all employees of the Employer included in the bargaining unit described as:

All regular full-time and part-time Wastewater and Water Employees, Public Service Employees plus clerical employees including Deputy Clerk, Deputy Treasurer, Clerk/Cashier, Bookkeeper, and Police Administrative Secretary.

Excluding: Supervisors, seasonal and temporary employees, City Manager's Administrative Secretary, and all other employees of the Employer.

For purposes of this Article, seasonal or temporary employees shall be defined as employees hired for the summer or other definite, temporary period not exceeding six (6) months in any calendar year between April 15 and the Wednesday before Thanksgiving.

Article 3 **Representation**

Section 1. Collective Bargaining Committee. The Employer agrees to recognize a Collective Bargaining Committee consisting of not more than three (3) employees selected or elected by the Union from employees covered by this Agreement who have seniority. Members of the Collective Bargaining Committee shall act on behalf of the employees covered by this Agreement for the purpose of collective bargaining negotiations with the Employer.

Section 2. Steward The Employer agrees to recognize three (3) Stewards who shall be selected by the Union from employees covered by this Agreement who have seniority. It shall be the function of the Steward to act in a representative capacity for the purpose of processing grievances in accordance with the Grievance Procedure established in this Agreement.

Section 3. Alternate Stewards and Collective Bargaining Committee Members

Alternate Stewards and members of the Collective Bargaining Committee may be selected or elected by the Union member employees covered by this Agreement who have seniority. Alternate Stewards and alternate members of the Collective Bargaining Committee shall have the same rights, duties, limitations, and obligations as the regular Stewards or members of the Collective Bargaining Committee when acting as an alternate.

Section 4. Identification of Union Representatives The Employer shall be informed in writing of the names of the Stewards, members of the Collective Bargaining Committee, Alternate Stewards, and alternate members of the Collective Bargaining Committee, and non-employee representatives of the Union, and any changes therein, immediately upon their selection or election. The Employer will extend recognition to such individuals immediately upon receipt of this notice.

Section 5. Special Conferences Special conferences for important matters of mutual concern may be arranged by mutual agreement of the parties. Arrangements for such conferences shall be made in advance and shall be limited to the agenda presented when such arrangements are made, unless the parties should mutually agree to the discussion of additional items. The Union may be represented at special conferences by the Unit President, one Steward, and a non-employee representative of the Union. If practicable, such conferences shall be scheduled within ten (10) days following the request for a conference. It is expressly understood that the purpose of such conferences shall not be to negotiate, modify, or otherwise change the terms of this Agreement, nor shall special conferences be used as a substitute for the grievance procedure.

Section 6. Bargaining and Special Conference Time Employee participation as Bargaining Committee members or in Special Conferences is a voluntary activity engaged in on behalf of the Union and the employees which it represents. To the extent possible, collective bargaining sessions and special conferences shall be scheduled outside of employees' normal work hours. Those instances where it is mutually agreed that collective bargaining sessions and special conferences are to be scheduled during employees' normal working hours, bargaining committee members shall be paid at their normal straight time rate of pay for all time lost from their regularly scheduled hours.

Section 7. Union Visitation A local or international representative of the Union will be permitted to visit the operation of the Employer during working hours to talk with the Unit President or representative of the Employer concerning matters covered by this Agreement; provided, however, the Employer shall be informed in advance of such visitation, and such visitation shall not interfere with performance of work by bargaining unit employees.

Article 4
Union Security/Dues Check-off and Electronic Communication

Section 1. Union Security All Employees in the bargaining unit may voluntarily join the UNION.

Section 2. Dues Check Off Upon receipt of a voluntary authorization form signed by an employee covered by this Agreement, the City will each month deduct from the employee's pay the amount owed to the UNION by such employee for UNION membership dues. Deductions will be made by the CITY from the first pay period of each month. Dues deducted by the CITY for any calendar month will be remitted to the designated financial officer of Michigan Council No. 25, AFSCME and AFL-CIO as soon as possible during the month after the payroll deductions have been made along with a list of names for which dues were deducted. The UNION agrees to hold the CITY harmless for any legal actions taken pursuant to this Section in reliance upon written instructions from the UNION.

Section 3. Renewal The voluntary authorization from referenced above shall state whether the signing employee is a UNION member, it shall remain in effect for one year from the date signed or until the expiration of the collective bargaining agreement, whichever comes first, and shall be automatically renewed for the same duration unless the signing employee revokes the authorization by notifying the CITY and the UNION in writing not more than 90 days and not less than 30 days before the expiration of the yearly period or the expiration of the collective bargaining agreement, whichever comes first.

Section 4. Electronic Communications The Employer agrees to communicate and provide the Union new member information (biannually) via transmission the following:

1. Member names
2. Addresses

4. Hire Date

Article 5 **Recognition of Employer Rights**

Section 1. Rights of City The City retains and shall have the sole and exclusive right to manage and operate the City in all of its operations and activities, so long as its actions in doing so do not constitute violations of this collective bargaining agreement. Among the rights of the City, included only by way of illustration and not by way of limitation, are the rights:

- A. To determine all matters pertaining to the services to be furnished and the methods, procedures, means, equipment, and machines required to provide such services;

The City shall have the right to hire, promote, assign, transfer, suspend, discipline, or discharge for just cause, lay-offs (lay-offs shall be solely based on the personnel needs of the City, economic resources of the City, and such other reasons common for lay-offs of municipal employees, including certification and licensure requirements), and recall personnel, to establish work rules and to fix and determine penalties for violation of such work rules provided that its actions in doing so do not violate specific provisions of this Agreement.

The failure or refusal of the Commission or City Manager to exercise any right, prerogative, or function under this Article shall not constitute or be interpreted as a waiver of any right, prerogative or function by the Commission or City Manager. Past practice shall not restrict, and shall not be used to interpret, limit or construe, the exercise of any City right.

In addition, there is reserved exclusively to the Commission and the City Manager all responsibilities, powers, rights, and authority vested in the laws and constitution of Michigan and the United States.

Section 2. Reasonable Rules The Union hereby agrees that the City retains the sole and exclusive right to establish and administer, without limitation, reasonable rules and regulations which it considers necessary and advisable for the safe, effective, and efficient operations of City services, so long as such rules and regulations do not violate specific provisions of this Agreement. The Union further acknowledges that any employee who violates or fails to comply with such rules and regulations shall be subject to discipline, up to and including discharge.

Section 3. Bargaining Unit Work Nothing contained in this Agreement shall be construed to in any way restrict management or supervisory employees from performing bargaining unit work in the same manner and to the same extent as such employees performed such work prior to this Agreement, or in order to supplement bargaining unit members in meeting community service needs and emergency situations.

Section 4. Subcontracting the parties to this Agreement recognize the Employer's obligation to provide municipal services that are responsive to community needs. The Employer shall have the right to subcontract work normally performed by bargaining unit employees for reasons including by way of example, but not limited to, the lack of adequate manpower, equipment, or expertise to provide services in a timely, efficient, or cost-effective basis, or the need to respond to community emergencies. The Employer shall not, however, exercise such right for the purpose of undermining the Union or discriminating against any of its members.

If the work in question is to continue for a period longer than six (6) months or is in lieu of a position previously held by a bargaining unit member, the Employer will open the position/job category for bidding at the six (6) month mark.”

In the case where such subcontracting shall result in the layoff of Union members, the Employer shall notify the Union of its intention to contract or subcontract bargaining work in advance of entering into a formal agreement with the contractor and, upon request made not later than seven (7) days from and after the date of notice to the Union, shall meet with the Union bargaining committee for the purpose of negotiating the impact of said contracting. In the event such negotiations result in impasse, such subcontracting actions shall not be subject to the grievance procedure.

Article 6 **No Strike/No Lockout**

The Union agrees that during the life of this Agreement, neither the Union, its agents, nor members of the bargaining unit will authorize, instigate aid, condone, or engage in a strike, slowdown, or any other concerted interference with the operations of the Employer. The Employer agrees that during the life of this Agreement, neither the Employer, its agents nor supervisors, will authorize, instigate, aid, condone, or engage in a lockout of members of the bargaining unit.

Individual employees or groups of employees who instigate, aid, or engage in a work stoppage, slowdown, or other prohibited activity as outlined above may be disciplined or discharged at the discretion of the Employer. It is understood that any dispute as to whether an employee or employees were, in fact, engaged in such prohibited activity may be resolved through the grievance procedure.

Article 7 **Non-Discrimination/Prohibition of Sexual Harassment**

Neither the City of Buchanan nor the Union shall unlawfully discriminate against any employee because of religion, race, color, national origin, age, sex, height, weight, handicap, marital status, or for activities protected by the Michigan Public Employment Relations Act, Elliott-Larson Civil Rights Act, or Michigan Handicappers' Civil Rights Act.

In conjunction with the City of Buchanan's policy of equal employment opportunity, the City and the Union are committed to maintaining a work environment free from sexual harassment. The City and Union are committed to having **an environment** free of sexual conduct that causes or reasonably could be considered to cause an intimidating environment. The City and Union recognize that all employees are responsible for maintaining a proper work environment, and they must conduct themselves in a manner that is sensitive to the types of behavior that may be personally offensive to others. Employees who perceive themselves to be the objects of such conduct shall have a responsibility to report the situation to their Department Head or the City Manager.

Article 8 **Grievance Procedure**

Section 1. Definitions A grievance shall be defined as any dispute regarding the meaning, interpretation, or application of the terms and provisions of this Agreement. Whenever used in this Article, the words "regular scheduled working day" shall mean Monday through Friday, excluding any holidays specified in this Agreement.

Section 2. Grievance Procedure Before implementing the grievance procedure, employees must first discuss any grievance with the Department Head within five (5) regularly scheduled working days after the occurrence of the event(s) upon which the grievance is based. The employee may request the presence of the Steward at such discussion. The Department Head will provide the employee with an oral response within two (2) working days after the initial discussion. If the grievance is not resolved by the Department Head's oral response, a grievance may be reduced to writing and resolved in the following manner:

Step One: If the grievance is not resolved by oral discussion with the Department Head, the grievance shall be submitted in writing to the Department Head within ten (10) regularly scheduled working days after the oral response for the Department Head. The written grievance shall contain a clear statement of the grievance by indicating the issue or subject involved, the relief sought, the date the incident or alleged violation took place, and the section or sections of the Agreement involved.

The grievance shall be signed by the employee filing the grievance and by the Steward. The Department Head shall give his written answer to the Steward within five (5) regularly scheduled working days after the date of receipt of the written grievance.

If the Department Head's written answer is considered satisfactory by the Union, **the** Steward shall so indicate on a copy of the original grievance form, signed and returned to the Department Head.

Step Two: If the grievance has not been settled in Step One, the Unit President may appeal the grievance to the City Manager within ten (10) regularly scheduled working days of receiving the Department Head's written response. The City Manager and up to two (2) additional City representatives designated by the City Manager shall meet with the Union business agent and Unit President and employee within seven (7) regularly scheduled working days thereafter to discuss the grievance. The City Manager shall give his written answer to the Unit President within seven (7) regularly scheduled working days after such meeting.

If the City Manager's written answer is considered satisfactory by the Union, the Unit President shall so indicate on a copy of the original grievance form, signed and returned to the City Manager.

Step Three: If the grievance has not been settled in Step Two, the Union and for the City may submit such grievance to advisory arbitration, provided such submission is made within ten (10) regularly scheduled working days after delivery by the Employer to the Union of the second step answer. The request for advisory grievance arbitration must be submitted to the Michigan Employment Relations Commission for resolution in accordance with its arbitration rules then in existence, with a copy of the request for arbitration provided to the other party. The arbitrator shall have no power or authority to alter, amend, add to, or subtract from the terms of this Agreement. No award recommended by the arbitrator shall be retroactive more than twenty (20) working days prior to the time the grievance was first submitted-in writing. The expenses and fees of the arbitrator shall in all cases be ***equally shared by both parties.***

Section 3. Time Limits Grievances not filed or appealed within the designated time period shall be considered withdrawn. Grievances not answered by management within the designated time limits may be appealed to the next step within seven (7) regularly scheduled working days after expiration of the applicable time period within which the Employer is entitled to respond to the employee's grievance. The time limits established in the grievance procedure may be extended by mutual agreement in writing. **Timely extension request shall not be unreasonably denied.**

Section 4. Grievance Discussion or investigations It is understood and agreed that the Employer shall not be required to pay for employee time spent investigating or processing grievances, but when any meeting is set by the Employer or by mutual agreement during working hours, the employees will be paid.

ARTICLE 9 **DISCHARGE AND DISCIPLINE**

Section 1. Discharge and Discipline In cases of discharge or discipline, a representative of management shall give prompt **written** notice thereof to the employee and the employee's Steward or other Union representative. Such notice shall be **acknowledged by the Union** in writing within three (3) working days following the day of discharge or imposition of discharge or imposition of discipline, excluding Saturday, Sunday, holidays, and the day of occurrence. In cases of letters of warning, such letters shall be given to the employee affected and a copy thereof to such employee's Steward or other Union representative.

Section 2. Action for Discipline

- a. In imposing any discipline on a current charge, management will not take into account any prior infractions which occurred more than eighteen (18) months previously, provided the employee is not subject to disciplinary action (excluding letters of warning), during the eighteen(18) month period, In the event an employee completes eighteen(18) months of service without a disciplinary action, letters of warning and/or suspensions over eighteen (18) months old shall be permanently removed from his personnel file upon written request to the City Manager.
- b. Every employee shall be entitled to and shall receive a copy of any and all notices, reports, complaints, or other information filed by any employee, citizen, supervisor, or any other City officer or department in the employee's personnel record which related to, is, or may be made the basis for disciplinary-action up to and including discharge of such employee by the City. The Provisions of the Employee Right to Know Act (Act 397 of P.A. 1978) shall apply to City personnel records.

Section 3. Discipline Procedure The following procedure shall be followed when an employee is given written notice from management that he/she is discharged, or suspended without pay.

- a. If the employee elects to file a grievance, he shall file the grievance in accordance with the provisions of the grievance procedure.

Section 4. Management's Responsibility If Management has the reason to warn or reprimand an employee, it shall be done in a manner that is consistent with good employee relationship principles. Upon request, a copy of disciplinary action will be given to the employee and Union representative.

Section 5. Investigatory Interview In the event a complaint is made against an employee or where any investigation is conducted which may result in disciplinary action, the following procedures shall apply:

- a. If, during the investigation, an employee is requested to appear before a member of management, he/she shall be fully advised of the nature of the investigation and that the investigation may result in disciplinary action.
- b. When an employee is questioned under this section, he/she shall be informed of his/her right to Union representation. Should the employee waive such right, he/she shall sign a waiver form so indicating and copies will be given to the employee and the Union.
- c. Upon request of the employee for Union representation, such request shall be granted and the Union shall immediately provide such representation. When such representation has been requested, no questioning shall commence until the Union representative is present.
- d. The employee shall be required to answer questions relating to his/her performance or conduct as an employee of the City as it relates to the investigation. Refusal to answer such questions may result in disciplinary action, up to and including discharge.

Article 10 **Seniority**

Section 1. Probationary Period All new employees will be probationary for their first twelve (12) months of employment. A probationary employee who is absent from work for a period of time in excess of five (5) days shall have his or her probationary period extended by a period of time equal to his or her absence.

The purpose of the probationary period is to provide an opportunity for the Employer to determine whether the employee has the ability and other attributes which would qualify him for regular employee status,

During the probationary period, the employee shall be on a trial basis, shall have no seniority, and may have his employment terminated without regard to his relative length of service or the grievance procedure. Upon successful completion of the probationary period, the employee shall have his or her name added to the seniority list as of the date he was employed.

Section 2. Definition of Seniority Seniority shall be defined as an employee's length of continuous service with the Employer's Water Department, Wastewater Treatment Department, Public Services Department or in a clerical position covered by this Agreement since his last hiring date. Continuous service is defined as that time actually spent on the active payroll of the Employer or on an approved leave of absence. "Last Hiring Date" shall

mean the date on which the employee was hired and since which his/her seniority has not been terminated for any of the reasons set forth in Section 4 of this Article.

Section 3. Seniority List The names of all bargaining unit employees shall be listed on the seniority list in order of their last hiring date, and shall be provided to the Union when requested.

Section 4. Termination of Seniority An employee's seniority shall terminate for the following reasons:

- a. If he quits, retires, or is discharged where the discharge is not reversed.
- b. If when he has been recalled to work following a lay-off in accordance with Section 6 of this Article, he refuses or fails to return to work within seven (7) regularly scheduled working days after written notice to the Union and seven (7) regularly scheduled working days after written notice by certified mail of such recall is sent to his last address on record with the Employer,
- c. If he fails to return to work immediately upon the expiration of an approved leave of absence, unless such failure to return is due to circumstances for which the Employer would normally grant a regular employee sick leave or bereavement leave, and unless the Employer is informed of the employee's ability to return not later than thirty (30) minutes after the start of his first scheduled shift.
- d. If he has been laid off for a continuous period of fifteen (15) consecutive months or an amount of time equal to his seniority, whichever is shorter,

Section 5. Lay-Off Procedure If it is necessary for the City to reduce its workforce in one or more job classifications covered by this contract, employees within each effected job classification shall be laid off in inverse order of their seniority, providing that the remaining employees have the necessary qualifications and present ability to perform the available work in the classification. A laid-off employee shall have the right to displace ("bump") a lower seniority employee in any other job classification covered by this Agreement, provided:

- a. That the employee to be displaced holds a position of an equal or lower pay grade than the laid-off employee;
- b. That the laid-off employee has, at some time during his period of seniority with the Employer, held a regular full-time or part-time position in the job classification that he seeks to "bump" into;
- c. That the laid-off employee presently possesses the physical ability to perform the job function of the position in question, as well as the knowledge, skills, abilities, and relevant licenses or certifications to satisfactorily perform the job functions of the position in question, without needing additional training; and
- d. That the laid-off employee exercises such bumping rights within five (5) working days of being informed of the Employer's intent to lay him off.

- e. An employee who, through use of his bumping rights, accepts a position with a lower range, shall be assigned a wage step in his new pay range that is the same step he held in his previous range. Thus, an individual bumping from Wage Range 3, Step 2, down to Range 2 shall have his wage set at Range 2, Step 2.
- f. In cases where two (2) or more employees in the same job classification possess equal seniority, the Employer may designate, at its sole discretion, which of those employees is to be laid off as a result of a reduction in the number of employees in that classification.

Section 6. Recall Procedures Employees with seniority shall be recalled on the basis of applying the above procedure in reverse order, i.e., most senior employee being recalled back first, provided he has the necessary qualifications and the present ability to perform the available work. Notice of recall shall be sent to the employee at his last known address on record with the Employer by certified mail. An identical notice shall be served on the Unit President on the same date.

Section 7. Permanent Job Classifications When and if the Employer determines that it is necessary to create a permanent new job classification or effect a substantial change in an existing job classification, it shall set the rate of pay therefore, establish or amend the job description, and advise the Union as to both. The Union shall have the right to negotiate with the Employer with respect to rate of pay established for such new or substantial changes to the permanent job classification, provided that the Unit President presents the City with a written request to enter into such negotiations within five (5) regularly scheduled working days after such notice given to the Union.

Section 8. Posting of Position Vacancies When it is necessary to fill a new job classification or a vacancy in an existing job classification in the bargaining unit, the Employer shall post such opening along with a statement of the qualifications for the position and the division and shift where the vacancy occurs for a period of seven (7) regularly scheduled working days prior to the application deadline. Such vacancy may also be advertised for outside applicants.

It is recognized by the parties to this Agreement that the Employer must strive in all cases to hire those individuals who, in its judgment, represent the best qualified applicants for any position vacancies. Selection criteria for any position vacancy shall, therefore, be established at the sole discretion of the Employer. The Employer agrees that in evaluating applicants for City employment, it shall not discriminate against current employees. In cases where one or more current City employees seek a posted vacancy and meet all qualifications for the position in question, the City shall hire the best qualified current City employee making application for that position unless a non-employee possesses job qualifications which are superior to those of all internal applicants in light of the selection criteria established by the Employer.

Section 9. Trial Period When any current employee applies for and is awarded a different position with the Employer, he/she shall serve a probationary period of ninety (90) work days, except in cases where an employee is awarded a different position within his/her same department, in which case said probationary period shall be sixty (60) work days. Any regularly scheduled work days during which the employee is absent from work shall not be counted toward the designated probationary period.

In the event an employee applies for and is awarded a different job with the Employer and decides during this probationary period in that position that he wishes to return to his former position, he may so elect and, on written request, shall be returned to his former position and pay grade that he held immediately prior to his promotion. Likewise, if the Employer determines that such an employee, during his probationary period, is unable to satisfactorily meet the requirements of the position to which he has been promoted, it may terminate his employment in that position but shall allow him to return to the position and pay grade that he held prior to his promotion.

In cases of the Employer returning an employee to his former position, the employee shall have a right to grieve only if such action by the Employer is arbitrary and capricious.

Section 10. Transfer Recognizing that the service needs of the Employer change from day to day and season to season, the Employer shall have the right to transfer an employee from one job classification to another to cover for employees who are absent from work due to illness, accident, vacations, or leaves of absence for the period of such absences. The Employer shall also have the right to transfer an employee from one job classification to another to fill a vacancy or to take care of unusual conditions or situations which may arise.

When the City needs to transfer an employee to another position, it will first seek volunteers starting with the most senior qualified employee; taking into account certifications and/or licenses. If no volunteers are forthcoming, the City can transfer an employee of its choosing.

It is understood and agreed that any employee within the unit temporarily transferred in accordance with the provisions of this section shall not acquire any permanent title or right to the job to which he temporarily transferred, but shall retain his seniority in the permanent classification from which he was transferred. Any employee temporarily transferred to a job classification with a higher maximum pay rate in accordance with the provisions of this section shall be paid the applicable wage rate for the higher paying job classification. Any employee temporarily transferred to a job classification with a lower maximum pay rate, in accordance with the provisions of this section, shall continue to be paid his regular wage. Management has the right to utilize employees from either the "Public Services" Department when needs arise from time to time at no wage change.

Article 11 **Leaves of Absence**

Section 1. Personal Leave of Absence The Employer may grant a leave of absence for personal reasons without pay and without loss of seniority to an employee who has completed his probationary period, provided that such employee can be spared from his work and provided that there is good cause for the leave. Such leaves of absence shall be granted for a period not to exceed thirty (30) calendar days and may be extended by the Employer, on written request of the employee, for additional periods up to thirty (30) calendar days each.

Section 2. Funeral Leave Regular full-time employees shall receive the amount of pay they would have received on a regularly scheduled work period, not to exceed three (3) days, to make arrangements for and attend the funeral of a member of their immediate family. The payment shall not be made for any of such three (3) days on which the employee, for any other reason, would have been absent from work. The three (3) days shall be three (3) consecutive working days, the last of the three (3) days being no later than the day following

the funeral. To be eligible for such pay, the employee must notify the Employer as soon as possible of the necessity for such absence.

Employees shall also be allowed use of two (2) accrued vacation **or sick** days and two (2) accrued personal days or two **(2) days** unpaid leave in addition to the above described paid funeral leave in the event of a death in their immediate family. Employees shall also be allowed to use one (1) vacation day or one (1) personal day or one (1) day of unpaid leave to attend the funeral of any relative not among those already listed as immediate family as defined herein.

Immediate family is to be defined as the employee's current spouse, child, step-child, mother, father, mother-in-law, father-in-law, brother, sister, brother-in-law, sister-in-law, grandfather, grandmother, or any other relative residing in the employee's household.

Employees requesting use of a personal day, compensatory time day, or vacation day to attend the funeral of an aunt, uncle, niece, nephew, or cousin shall not be denied use of such leave time. Also, the City will advance a personal day from his/her next allotment of personal leave days to any employee who wishes to attend the funeral of any above- listed relative but lacks the available time.

Section 3. Leave of Absence for Jury Duty A regular employee shall be granted a leave of absence with pay up to a maximum daily rate of eight (8) hours at his straight- time hourly rate in order to serve required jury duty. In such cases, all jury fees shall be signed over to the Employer excluding mileage. In order to receive the payment referred to above, an Employee must give his Department Head prior notice that he has been summoned for jury duty and must furnish satisfactory evidence that he performed such jury duty on the days for which he claims such payment.

In the event that the employee is excused from jury service on any day before 1:00 p.m., he must return to work for the balance of the work day in order to receive any City pay for the day. This paragraph shall not apply in cases where the employee is serving jury duty at a location outside of Berrien County.

Section 4. Military Leave The Employer agrees to abide by applicable federal and state law with regard to leaves of absence for military leave.

Section 5. Child Care Leave Employees will be allowed to take, without pay, without accrual of retirement credit or benefits, and without loss of seniority, a leave of absence of up to six (6) weeks following the birth or adoption of a child for child care purposes. Any disability associated with pregnancy or childbirth will be treated the same as any other illness or disability under the sick leave provisions of this contract.

Article 12 **Medical Examinations**

The Employer may require any of its employees to submit to a medical examination at such times as it may deem necessary. Examinations shall be paid for by the Employer and shall be made by a licensed physician designated by the Employer. Should such medical examination reveal the physical or mental unfitness of the employee involved to perform his duties, the employee involved may be granted a leave of absence.

Recognizing that the City affords employees the benefits of paid sick leave, workers' compensation, and unpaid leaves of absence, the City shall be under no obligation to provide "light duty" employment to employees who are temporarily unable to meet all the requirements of their job classifications due to any physical or mental unfitness as described above.

Article 13
Hours of Work and Pay Periods

Section 1. Hours of Work and Shifts The normal hours of work for all full-time employees shall average forty (40) hours per week. Nothing in this contract, however, shall be construed as a guarantee of the herein referred to hours per week or pay per week. Specific work schedules will be set by the Department Head who may modify work schedules at his discretion to meet public service needs.

Section 2. Weekend Scheduling The City reserves the right to schedule Saturday and Sunday as a regular work day in order to better meet public service needs or comply with requirements imposed by government agencies. Employees shall be paid at their regular straight-time rate for work performed on Saturdays and/or Sundays unless such weekend work results in their qualifying for overtime compensation, consistent with the standards set forth in Article 14-Wages and Overtime.

In those instances where the City deems it necessary to assign employees to work on Saturday and/or Sunday as a normal work day, it shall first seek volunteers from among the employees in the effected job-classifications to work on the weekend day(s) in question. If sufficient volunteers are not obtained to meet the City's staffing needs for the weekend period(s) in question, then individuals within the subject job description shall be assigned by their Department Head to such weekend work, such assignments to be made in inverse order of their seniority. In instances where the City must assign employees to work Saturday and/or Sunday as a normal work day, without overtime compensation, the City shall be required to so inform such employees at least 48 hours in advance of implementing such assignments. Provided, however, that the City and the Unit President may mutually agree to waive this right of notice.

When such weekend scheduling shall be necessary for a period in excess of twelve (12) consecutive weeks, the Employer agrees that the City Manager shall meet with the Union bargaining committee for purposes of discussing the impact of such scheduling on the employees involved. This paragraph shall not apply to weekend scheduling arrangements in effect prior to the effective date of this contract at the Wastewater Treatment Plant.

Section 3. Starting Time Whenever the Employer deems it necessary to change the starting hour of the normal work day, the Employer shall furnish all affected employees and the Unit President with written notice of said modification at least two (2) days in advance of implementing said modification. Provided, however, that the City and the Unit President may mutually agree to waive this right of notice.

Section 4. Work Week and Pay Period Computations For purposes of this Agreement, the work week shall begin at 12:01 a.m. Thursday morning and end at midnight on Wednesday and the work day shall be a calendar day.

The Employer's pay period shall contain two full weeks with paychecks to be distributed to employees during their work shift on the Friday following the Wednesday on which the pay period ends.

Section 5. Lunch and Break Periods Employees at City Hall will be allowed a one (1) hour lunch break without pay at or near the midpoint of the scheduled day with the exact time to be set at the discretion of the supervisor. Employees of the other departments covered by this Agreement will be allowed a thirty (30) minute lunch break without pay at or near the midpoint of the scheduled day with the exact time to be set at the discretion of the supervisor. All employees shall be entitled to a fifteen (15) minute paid break during the first half of the shift and a fifteen (15) minute paid break during the second half. The times and locations for morning and afternoon breaks are to be set at the discretion of the supervisor,

It is understood and agreed that the timing of such breaks may vary depending upon the nature of the work being performed by the employee at the time, it being recognized that under certain conditions it will be impossible for employees to take a break period until the urgent aspect of the job being performed has been completed.

Section 6. Overtime Assignments When the Employer determines that it is necessary or desirable for overtime hours to be worked, it will first attempt to fill such work hours by seeking qualified volunteers from within the job classification normally responsible for this work, the bargaining unit starting with the employee with the least number of overtime hours worked, and up to the employee with the most overtime hours worked. If a sufficient number of qualified employees do not volunteer for this work, the Employer can then request qualified volunteers from other classifications within the category (e.g. either laborer or clerical/administrative) beginning with the least overtime hours worked. If a sufficient number of qualified employees do not volunteer for this work, the employer may require bargaining unit members to perform the overtime work. This will begin with the qualified employees in the classification affected with the least seniority and progress to the senior employee. When the Employer determines that there is an emergency, or an immediate need for such work to be performed, the employer may require all available employees to perform the work, or may utilize other means to have the work performed. If employees are on a project at the end of a shift and there is a need to work overtime to complete the project, those employees can stay over regardless of hours previously worked. Employees who cannot be reached or who turn down overtime offered will be charged on the record the same number of hours worked by the employee(s) performing the work, unless they were on normal leaves, (sick leave, vacation, bereavement, comp time, and personal business leave.)

Section 7. Compensatory Time Employees who are required to work overtime may elect to receive compensatory time in lieu of pay for up to a forty (40) hour accumulative bank. This accumulative bank of compensatory time may exceed forty (40) hours each year if mutually agreed to by the Employer and employee. This compensatory time shall be credited at the rate of one and one-half (1 1/2) hours for every one (1) hour of overtime worked. **On the last pay period in November**, employees shall be paid in cash for any unused accrued compensatory time, reducing their compensatory time to zero.

The scheduling of compensatory time off shall be arranged in advance by the employee and their department foreman. A request for the use of compensatory time off, except for funeral

leave per Article 11, Section 2, may be denied or cancelled if it would unduly disrupt City operation.

Section 8. Call-in Pay Employees called in for work at times outside their normally scheduled shifts shall be guaranteed a minimum of two (2) hours pay. Such call-in time shall be counted as “hours worked” for purposes of determining overtime eligibility as discussed in Article 14, Section 3. Water operators shall receive a set “call-in stipend” of two (2) hours pay per week to compensate for remaining “on call” for water issues/alarms, and addressing said issues/alarms, during non-work hours.

Article 14 Wages and Overtime

Section 1. Wage Schedule For the life of this Agreement, the wage schedules set forth in Appendix “A” attached hereto and by this reference made a part hereof, shall remain in full force and effect.

Section 2. Placement of Employees Within Wage Schedule Newly hired probationary employees in those job classifications contained in Appendix A shall commence work with the City assigned to Step 1 or 2 of their identified wage range, “unless the position is required by the state to hold a certain level of license in order to maintain lawful compliance, i.e., “B” certification for wastewater or “S2/D2” for Water Dept.,” with such placement to be determined exclusively by the City Manger taking into account the new hire's qualifications.

Upon successful completion of his probationary period, each new hire shall be eligible for a wage increase of one full step within his position's wage range, with said increase to take effect on the July 1st following successful completion of the probationary period. This increase shall be based on a merit review (performance evaluation) by the employee's supervisor and shall be at the discretion of the City Manager. Thereafter, such employees shall be eligible for consideration of further merit increases of one step per year based on a merit review conducted by their supervisor on or around July 1st of each year following the end of their probationary period.

Employees shall be granted a step increase if their written performance evaluation rates their performance to be satisfactory or better. In the event that an employee's written performance evaluation results in his performance being rated unsatisfactory, his step raise shall be denied. However, the Employer shall state in writing the reasons for the unsatisfactory rating and shall perform a second written evaluation of the employee's performance three (3) months thereafter. At the discretion of the City Manager and Supervisor, a satisfactory rating on that second evaluation shall make the employee eligible for his step increase effective with the date of said second evaluation.

Section 3. Overtime Overtime will be paid at the rate of one and one-half (1½) times the regular rate of pay for all hours worked in excess of forty (40) hours per week, computed to the nearest tenth (1/10) of an hour. Time off for excused absences including sick leave, vacation leave, bereavement leave, jury duty, and holidays shall be counted as “hours worked” for purposes determining an employee's eligibility for overtime pay in a given pay period.

In the latter case, the employee shall be eligible to receive cash compensation for his unused vacation leave payable at the next regular payday following his
