

Golf Cart Proposal for

- Bring the campground feel to our community – encourages old fashion social interaction.
- Allow for elderly to move around easier and attend more downtown activities.
- More attendance to the music festivals and other planned events.
- Free up parking for out-of-town business / designated parking for Golf carts somewhere around the Commons or Senior Center parking lot.
- More sales at our farmer markets – People would fill the carts with more items.
- Allow tours for new residence to see what Buchanan has to offer.
- Lower emissions – usage of battery operating carts
- Additional parade activity – Decorate golf carts - Similar to the boat parades
- Reduce speeds in our town and cut traffic noise
- More affordable way to get around town.
- Slows down the pace of living and puts smiles on faces.
- Join the large list of cities that have already approved the usage of golf carts and add to the reasons why this is the greatest city in America.
