

TREE FORM

Residents in receipt of this form are kindly requested to please complete the following information, and then return the form to Buchanan City Hall either via the drop box outside City Hall or by using the included self-addressed postage-paid envelope. Questions can be addressed to Mike Baker at the same address (302 N. Redbud Trl, Buchanan, MI 49107), or they may be sent via email to mbaker@cityofbuchanan.com. The purpose of this form is to attempt to determine a resident's preferences relating to trees located in the City right-of-way near their property (typically between the sidewalk and the street). Completing this form is not mandatory; however, it is greatly appreciated, as the form responses will be used by City staff to help make recommendations to the City Commission. Though completion of this form does not guarantee that the requested action will be taken, it does help the Commission make these types of decisions.
