# HORIZONS

A special section by **Leader** Publications

2026

Leader Publications is proud to announce the 45th edition of our largest annual publication, HORIZONS, voted the best special section in the state by the Michigan Press Association's Better Newspaper Contest. Horizons has become a much anticipated and popular publication the community looks forward to reading each year.

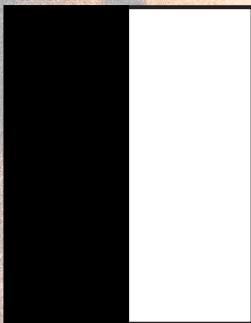

We publish for an audience of over 10,000 and fill it with more than 30 brand new stories focused on highlighting the great people who make up our communities and some of the amazing things going on. This year, Horizons will have the theme of Passion In Progress as we work to showcase people, places and things moving the needle in the Michigan region.

Horizons will be distributed February 28, 2026 in the Niles Daily Star, Dowagiac Daily News, as well as local chambers of commerce, real estate offices, tourist centers, medical offices and other high-traffic areas throughout our Michigan. Advertising deadline is January 27, 2026.
