A note about COVID-19 -- We are carefully monitoring recommendations from the federal, state and local governments and working with clients as they begin to reopen. Before COVID we made extensive use of technology for video interviews with candidates and meetings with clients. We have utilized these during COVID and can combine technology with appropriate in person meetings to assist clients in cost effective recruiting.

Project Approach and Methodology

A typical recruitment and selection process takes approximately 175 hours to conduct. At least 50 hours of this time is administrative, including advertisement placement, reference interviews, and due diligence on candidates. We believe our experience and ability to professionally administer your recruitment will provide you with a diverse pool of highly qualified candidates for your position search. GovHR clients are informed of the progress of their recruitment throughout the entire process. We are always available by mobile phone or email should you have a question or need information about the recruitment.

Phase I: Position Assessment, Position Announcement & Brochure

GovHR treats each executive recruitment as a transparent partnership with our client. We believe in engaging with stakeholders early in each recruitment process to fully understand the challenges and opportunities inherent in the position. Understanding the organizational culture is critical to a successful recruitment. We gain this insight and information through meetings (one on one and small groups), surveys and a review of relevant information. This information is reflected in a polished marketing piece that showcases the organization and the area it serves.

Information Gathering:

- One-on-one or group interviews with stakeholders identified by the client.
- Surveys can be used for department personnel to gather feedback.
- Conversations/interviews with department heads.

A combination of the above items can be used to fully understand community and organizational needs and expectations for the position .

Development of a **Position Announcement** to be placed on websites and social media.

Client will provide a **Recruitment Brochure**.

Agreement on a detailed **Recruitment Timetable** – a typical recruitment takes between 90 to 120 days from the time you sign the contract to appointment of the finalist candidate.

Phase II: Advertising, Candidate Recruitment & Outreach

We make extensive use of social media as well as traditional outreach methods to ensure a diverse and highly qualified pool of candidates. In addition, our website is well known in the local government industry – we typically have 11,000 visits to our website each month. Finally, we develop a database customized to your recruitment and can do an email blast to thousands of potential candidates.

Phase II will include the following:

- GovHR consultants will personally identify and contact potential candidates.
- Develop a database of potential candidates from across the country unique to the position and to the Client, focusing on:
 - Leadership and management skills
 - Size of organization

- Experience in addressing challenges and opportunities also outlined in Phase I
- The database will range from several hundred to thousands of names and an email blast will be sent to each potential candidate.
- Placement of the Position Announcement in appropriate professional online publications:
 - Public sector publications & websites
 - Social media: LinkedIn (over 15,000 connections), Facebook, and Twitter
 - GovHR will provide you with a list of advertising options for approval

Phase III: Candidate Evaluation & Screening

Phase III will include the following steps:

- Review and evaluation of candidates' credentials considering the criteria outlined in the Recruitment Brochure
- Candidates will be narrowed down to those candidates that meet the qualification criteria
- Candidate evaluation process:
 - Completion of a questionnaire explaining prior work experience
 - Live Video Interview (45 minutes to 1 hour) conducted by consultant with each finalist candidate
 - References (at least 2 references per candidate will be contacted at this time)
 - Internet/Social Media search conducted on each finalist candidate

All résumés will be acknowledged and inquiries from candidates will be personally handled by GovHR, ensuring that the Client's process is professional and well regarded by all who participate.

Phase IV: Presentation of Recommended Candidates

Phase IV will include the following steps:

- GovHR will prepare a Recruitment Report presenting the credentials of those candidates most qualified for the position.
- GovHR will provide an electronic recruitment portfolio which contains the candidates' materials along with a "mini" résumé for each candidate so that each candidate's credentials are presented in a uniform way.
- Client will receive a log of all applicants and may review résumés if requested.
- Report will arrive in advance of the Recruitment Report Presentation.

GovHR will spend approximately 2 hours with the Client reviewing the recruitment report and providing additional information on the candidates.

- Conduct outreach for candidates via personal and electronic contacts
- Review all resumes for fit for position

At this point in the Limited Scope Recruitment process, GovHR involvement will be complete.

The key differences between the Limited Scope Recruitment Process and the Full Recruitment and Selection Process are:

- A Recruitment Flyer will be provided by the client.
- GovHR will not conduct background investigations (court, credit, motor vehicle records checks, etc.)
- GovHR will not offer any guarantee regarding the selection and tenure of the candidates. GovHR will bill the client immediately after presentation of candidates and will not redo the recruitment and selection process if the Client is unsuccessful in hiring someone from the group of recommended candidates.
- Development of interview questions, second interview questions, and assistance with contract negotiations will be the responsibility of the Client.
