BenTek Core License Descriptions:

Admin Community Portal

Bentek's Client Community Portal is a secure online community designed for every Bentek client. This online solution provides a multi-way collaboration channel between Bentek, clients, brokers and vendors. To help minimize data being transferred via email, Administrators can share information with Bentek in one central secure location.

Benefits Administration

Within the Administration module, Benefits Administrators can manage demographics, personnel data, coverage eligibility, and dependent records for active, retired, and Cobra participants in one system. Bentek retains history of all changes made by both Administrators and employees including date/time stamp, name of user and description of the change.

Electronic Data Interchange (EDI)

Bentek will create standard (HIPAA 834 v.5010) and non-standard (TXT, XLS, CSV) files with all carriers/vendors that can accept and process eligibility data electronically.

Initial Payroll/Carrier Audit*

The Bentek Implementation Team conducts a thorough audit of eligibility data in each core benefit offered (medical, dental, vision). With assistance from Client administrators, payroll data is reconciled with each core (medical, dental, vision) insurance carrier. The Bentek system can then be populated with clean data, including demographics and corresponding benefits for the active, retired, Cobra, and dependent membership.

*Assumes standard 60-day implementation

Implementation

Bentek provides a multiphase implementation led by the Client Implementation Manager, who will serve as the point person and project manager, guiding you through each phase of the implementation. Recurring weekly calls are coordinated to ensure everyone is informed of project status and outstanding items throughout the life of the contract. Clients are assigned to an Account Manager who will manage day to day support and renewal planning once the initial implementation is complete.

New Hire Module

New hires can elect benefits online in a module specifically configured for new hire eligibility, add dependents and designate life insurance beneficiaries.

Open Enrollment Module

Employees can view both current and future enrollment and deduction information for all benefit options on one page including a shopping cart so employees have access to their total deductions as they enroll. Employees can view a detailed confirmation statement of all elected benefits and deductions for each session that can be saved, printed, and viewed in future sessions.

Open Enrollment Confirmation Statements (Bulk PDF)

After the initial annual enrollment period, Bentek provides clients an electronic copy of all confirmation statements in PDF format. Administrators can retain, print for filing, and/or mail to employees as confirmation of their first successful enrollment with Bentek.

**Open Enrollment Payroll Export**

Bentek provides a standard export of all enrollment data that can be used to update payroll systems with the new plan year deductions.

Payroll Integration*

Bentek will create custom payroll exports that can be consumed and processed by the payroll provider. Bentek also integrates with specific vendors via Application Programming Interface (API). *Clients are responsible for any fees charged by the payroll provider(s).

Payroll Audit

The standard payroll audit allows clients to audit all payroll deductions after each pay period to identify possible discrepancies and/or missed deductions. This ongoing audit allows issues to be identified after each pay period so timely adjustments/credits can be given to employees and reflected on carrier invoices.

Personnel Import

The standard personnel import eliminates the data entry required to update Bentek with new hires, status terminations, personnel and demographic changes, and rehired employees. Data transmitted from Payroll/HRIS systems is imported into Bentek providing a seamless process for updating the system.

QLE Module

Throughout the year, employees can submit a Qualifying Life Event and upload supporting documentation directly to Bentek. Administrators will be able to approve or deny all qualifying life events and produce customized letters directly from the system.

Retiree Management

Administrators can manage retiree records and offer a customized enrollment experience based on plan eligibility and administration for retirees. Administrators can transmit retiree data to carriers electronically and generate retiree specific reports to help manage eligibility and age limitations.

Standard Reporting

Bentek includes access to over 40 standard reports. Reports can be generated in Excel, PDF, or RTF.

Report Builder

Administrators can create custom reports using the report building tool including easy to use templates, data field selection, column adjustments, sorting ability and more.

Standard COBRA Reporting

Bentek works with a variety of third-party vendors that provide Cobra administrative services. Bentek can transmit data capturing new hires, terminations and Cobra qualifying life events to Cobra vendors.

Standard Carrier Billing

BenTek will configure carrier bills giving administrators the ability to generate a self-bill directly from the BenTek application.

BenTek shall implement administrative, physical and technical safeguards that prevent use or disclosure of the Electronic Protected Health Information other than as permitted by the Security Rules. Specifically, BenTek agrees to implement policies and procedures in accordance with 45 C.F.R. § 164.316 that:

- i. Prevent, detect, contain and correct security violations in accordance with the administrative safeguards set forth in 45 C.F.R. § 164.308;

persons or software programs that have been granted access rights in accordance with the technical safeguards set forth in 45 C.F.R. § 164.312.

2.2 BenTek shall not use or disclose PHI or Electronic PHI except as permitted or required by Article 3 of this Agreement or as Required by Law. BenTek shall notify Customer of all requests for the disclosure of PHI and Electronic PHI from a law enforcement or government official, or pursuant to a subpoena, court or administrative order, or other legal request as soon as possible prior to making the requested disclosure. BenTek shall provide to Customer all PHI and Electronic PHI necessary to respond to these requests as soon as possible, but no later than ten (10) business days following its receipt of a written request from Customer.

2.3 Customer shall provide to BenTek, and BenTek shall request from Customer, disclose to its affiliates, subsidiaries, agents and subcontractors or other third parties, only a Limited Data Set or, if necessary or otherwise permitted by HHS regulations, the minimum PHI or Electronic PHI necessary to perform or fulfill a specific function required or permitted under the Agreement. "Minimum necessary" shall be interpreted in accordance with HITECH, and in any event, shall not include any direct identifiers of individuals such as names, street addresses, phone numbers or social security numbers, except for a unique identifier assigned by Customer as necessary for the strategic analysis.

2.4 BenTek shall comply with all granted restrictions on the use and/or disclosure of PHI, pursuant to 45 C.F.R. § 164.522(a), upon written notice from Customer; provided, however, that Customer shall not grant any restriction that affects BenTek's use or disclosure of PHI without first consulting with BenTek.

2.6 BenTek shall report to Customer any use or disclosure of PHI not permitted by this Agreement of which BenTek becomes aware within fifteen (15) business days of its becoming aware, and will take such corrective action necessary, or as reasonably directed by Customer, in order to prevent and minimize damage to any Individual and to prevent any further such occurrences.

2.7 Following the discovery of a Breach of Unsecured PHI, BenTek shall notify the Customer without unreasonable delay and in no case no later than fifteen (15) days after discovery of the Breach. BenTek shall mitigate to the extent practicable or as reasonably directed by Customer any harmful effect that is known to BenTek of a Security Incident by BenTek.

2.10 BenTek shall take reasonable steps to ensure that any Subcontractor performing services for Customer agrees in writing to the same restrictions and conditions that apply to BenTek with regard to its creation, use, and disclosure of PHI and Electronic PHI in accordance with 45 C.F.R. §§ 164.308(b)(2), 164.502(e)(1)(ii) and 164.504(e)(5). BenTek shall, upon written request from Customer, provide a list of any Subcontractors with

whom BenTek has contracted to perform services for Customer. BenTek shall advise Customer if any Subcontractor breaches its agreement with BenTek with respect to the disclosure or use of PHI or Electronic PHI. If BenTek knows of a pattern of activity or practice of its Subcontractor that constitutes a material breach or violation of the Subcontractor's duties and obligations under its agreement with the Subcontractor ("Subcontractor Material Breach"), BenTek shall cure the breach or provide a reasonable period for Subcontractor to cure the Subcontractor Material Breach; provided, however, that if BenTek cannot, or Subcontractor does not, cure the Subcontractor Material Breach within such period, BenTek shall terminate the agreement with Subcontractor, if feasible, at the end of such period.

2.11 BenTek shall, upon written request from Customer, provide to Customer a copy of any PHI or Electronic PHI in a Designated Record Set, as defined in 45 C.F.R. § 164.501, created or maintained by BenTek, and not also maintained by Customer, within thirty (30) days of receipt of the request.

2.12 BenTek shall, upon written request from Customer, make any amendment to PHI in a Designated Record Set maintained by BenTek within thirty (30) days of receipt of the request unless BenTek can establish to Customer's satisfaction that the PHI at issue is accurate and complete.

2.13 If an Individual's PHI is held in an Electronic Health Record, BenTek shall provide requested copies in electronic format to the individual or to an entity or person designated by the Individual, provided such designation is clearly and conspicuously made by the Individual or Customer.

2.14 BenTek shall make its internal practices, written policies and procedures, books, records, and other documents relating to the use and disclosure of PHI and/or Electronic PHI created or maintained by BenTek on behalf of Customer available to the Secretary of the Department of Health and Human Services, or his or her designee, for purposes of the Secretary determining Customer's compliance with HIPAA.

2.15 BenTek shall make available the information required to provide an accounting of disclosures made on and after the Effective Date, as necessary for Customer to comply with 45 C.F.R. § 164.528, within twenty (20) business days of receipt of the request. BenTek shall provide one such accounting within a twelve-month period without charge, but may make a reasonable charge for any additional such accountings within the same twelve-month period.

2.16 BenTek shall maintain all records, other than those records that are also maintained by Customer, for six (6) years from the date created or last in effect, whichever is later, as necessary for Customer to comply with 45 C.F.R. § 164.530(j)(2).

3. PERMITTED USES OF PHI

3.1 BenTek may use and disclose PHI and Electronic PHI as necessary to provide services to Customer, subject to Section 2.3 of this Agreement and consistent with the requirements of HIPAA.

3.2 BenTek may use and disclose PHI and Electronic PHI as necessary for the proper management and administration of BenTek or to carry out BenTek's legal responsibilities, subject to Section 2.4 of this Agreement and consistent with the requirements of HIPAA; provided, however, that BenTek may disclose the PHI and Electronic PHI for such purposes only if:

- i. the disclosure is Required by Law, or
- ii. BenTek obtains reasonable assurances that the party to whom the PHI or Electronic PHI is

disclosed (a) will protect the confidentiality of the PHI and Electronic PHI, (b) will not further disclose the PHI or Electronic PHI except as Required by Law or for the purposes for which it was disclosed to the other party, and (c) will report any improper use or disclosure of the PHI and/or Electronic PHI to BenTek.

3.3 Except as otherwise limited in this Agreement, and to the extent provided for under this Agreement, BenTek may use PHI and Electronic PHI to provide Data Aggregation services to Customer, as permitted by 42 C.F.R. § 164.504(e)(2)(i)(B).

4. **TERMINATION OF AGREEMENT**

4.1 Except as described in Section 4.3, this Agreement shall continue in effect so long as BenTek provides service to Customer involving maintaining, using or disclosing PHI or Electronic PHI, or otherwise retains a copy of PHI or Electronic PHI provided to BenTek by Customer.

4.2 Customer may terminate this Agreement at any time if Customer discovers that BenTek has materially breached any provision of this Agreement.

4.3 If BenTek becomes aware of a pattern of activity or practice of the Customer that constitutes a material breach or violation of the Customer's duties and obligations under the Agreement, BenTek shall take reasonable steps and provide a period of thirty (30) calendar days for the Customer to cure the material breach or violation. If the Customer does not cure the material breach or violation within such 30-day period, BenTek shall terminate the Agreement, if feasible, at the end of such 30-day period.

4.4 Upon the expiration of Customer's relationship with BenTek, and contingent upon the payment of all outstanding fees, BenTek shall return PHI and Electronic PHI to Customer or Customer's designated agent upon Customer's request. If return of all PHI and Electronic PHI is not feasible, the provisions of this Agreement shall continue to apply to BenTek until such time as all PHI and Electronic PHI is either returned to Customer or destroyed pursuant to BenTek's document retention policy, provided that BenTek shall limit further use of PHI and Electronic PHI only to those purposes that make the destruction or return of the PHI and Electronic PHI infeasible. 4 Force Majeure. Neither party shall be liable for failure to perform any of its obligations hereunder where such performance is prevented or interfered with by any cause beyond the reasonable control of the parties hereto. This provision shall not be construed as relieving either party from its obligation to pay any sums due the other party.

5 Term and Termination. This PSA shall commence on the Effective Date below and shall continue until completion of all Work unless earlier terminated. Either party may terminate this PSA if the other party fails to perform any of its material obligations hereunder and such failure to perform has not been cured within thirty (30) days of written notice thereof by the terminating party. 7.1 Limitation/Remedies. BenTek's sole liability under Section 6 shall be to re-perform any service that fails to conform to the specified standard. In no event shall BenTek's liability under this Section 6 exceed the value of the product or service provided which gave rise to the claim hereunder. EXCEPT AS EXPRESSLY SET FORTH IN SECTION 6 ABOVE, BENTEK MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED WITH REGARD TO THE WORK OR WORK PRODUCT, AND IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE.

8 DAMAGES. IN NO EVENT SHALL BENTEK BE LIABLE FOR ANY INDIRECT, SPECIAL, OR CONSEQUENTIAL DAMAGES, SUCH AS, BUT NOT LIMITED TO LOSS OF ANTICIPATED PROFITS OR OTHER ECONOMIC LOSS IN CONNECTION WITH OR ARISING OUT OF THE WORK. BENTEK'S TOTAL AGGREGATE LIABILITY FOR ANY AND ALL DAMAGES SHALL NOT EXCEED THE TOTAL FEES PAID UNDER THE APPLICABLE SOW WHICH GAVE RISE TO THE CLAIM.

9 Confidential Information.

9.1 Definition. For purposes of this Agreement, "Confidential Information" shall include, but is not limited to, the following: any documentation and other tangible or intangible discoveries, ideas, concepts, software, designs, drawings, specifications, source code, object code, diagrams, flow charts, procedures and "know-how" comprising all or any portion of a computer program, strategic and development plans or concepts, financial information, business plans, marketing plans, sales plans, marketing and sales strategies, data, business records, project records, market reports, Customer Data, employee lists and business manuals, policies and procedures, information relating to products, processes, technologies or theory and all other information which may be disclosed by one party (the "Disclosing Party") to the other party (the "Receiving Party"), or to which the Receiving Party may be provided access by a Disclosing Party, or others, in accordance with this Agreement, or which is generated by the Disclosing Party as a result of or in connection with bona fide business purposes of the Disclosing Party, which is not generally available to the public.

9.2 Obligation of Confidentiality. The Receiving Party covenants and agrees to receive and hold the Confidential Information in confidence. Without limiting the generality of the foregoing, the Receiving Party covenants and agrees:

(A) to protect and safeguard the Disclosing Party's Confidential Information against unauthorized use, publication or disclosure;

(B) not to use any of the Disclosing Party's Confidential Information except as required for its performance under this Agreement;

(C) not to, directly or indirectly, in any way, reveal, report, publish, disclose, transfer or otherwise use any of the Disclosing Party's Confidential Information except as specifically authorized by the Disclosing Party in accordance with this Agreement;

(D) to restrict access to the Disclosing Party's Confidential Information to those of its officers, directors, agents, attorneys, consultants, employees, contractors and partners who clearly and demonstrably need such access to fulfill its obligations under this Agreement;

(E) to advise in writing each of the persons to whom it provides access to any of the Disclosing Party's Confidential Information, that such persons are strictly prohibited from making any use, publishing or otherwise disclosing to others, or permitting others to use for their benefit or to the detriment of the Disclosing Party, any of the Disclosing Party's Confidential Information, and, upon the request of the Disclosing Party, to provide the Disclosing Party with a copy of a written agreement to that effect signed by such persons; and

(F) to comply with any other reasonable security measures requested in writing by the Disclosing Party.

9.3 Exceptions to Confidentiality Provisions. The foregoing confidentiality obligations do not apply:

(A) to the extent that the Confidential Information is or becomes generally available to the public other than as a result of a breach of this Agreement;

(B) if the other party is directly ordered by a court or other governmental authority to disclose all or any part of the Confidential Information, provided, however, that the party so ordered will give prompt notice to the other of any such order, or of any legal or governmental proceeding that might result in such an order, and will not disclose any Confidential Information until the other party has been provided with a reasonable opportunity to limit or prevent such disclosure.

(C) To the extent the Confidential Information is required to be released under the Texas Public Information Act. In the event of a conflict between this PSA Agreement and the Public Information Act, the Texas Public Information Act shall control.

9.4 Remedies for Breach. Each party acknowledges that any unauthorized disclosure or use of Confidential Information may cause immediate and irreparable harm to the other, for which damages may not be an adequate remedy, and as such, each party shall, in addition to any other rights or remedies it may have in law or equity under this Agreement or otherwise, be entitled to injunctive relief.

9.5 Return of Confidential Information. Each of the parties agrees that immediately upon request by the other, and in any event, immediately upon termination or expiration of this Agreement, it shall deliver and return to the other all copies of Confidential Information (including all copies thereof, in any form whatsoever) disclosed and/or in its possession, care or control.

10 No Assignment. Client shall not assign this PSA without the prior written consent of BenTek. Any transfer by merger, consolidation or liquidation shall constitute an assignment for purposes of this PSA.

11 Non-Solicitation. Client agrees that, during the term of this PSA and for a period of two (2) years thereafter, Client will not, except with BenTek's prior written approval, hire, solicit or offer employment, directly or indirectly, to any BenTek employee or staff.

12 Amendment; Waiver. Neither this PSA nor any term, covenant, condition or other provision hereof may be changed, waived, discharged or terminated orally but only by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought. Except as otherwise provided, failure or delay of either party to exercise any right or remedy hereunder shall not constitute a waiver of rights or remedies under this PSA.

13 Governing Law, Venue. This PSA shall be construed according to the law of the State of Texas excluding its choice of venue provisions. The parties hereto hereby

irrevocably consent to the exclusive jurisdiction and venue of the state and federal courts of the state of Texas, county of Tarrant, for the purposes of all legal proceedings arising out of or relating to this PSA agreement or the actions that are contemplated hereby.

14 Entire Agreement. This PSA and all applicable SOW's shall constitute the entire agreement between the parties hereto with respect to its subject matter; and, except as otherwise expressly provided herein, this PSA shall not be affected by reference to any other document.

15 Severability. If any provision of this PSA is held unenforceable or inoperative by any court of competent jurisdiction, either in whole or in part, the remaining provisions shall be given full force and effect to the extent not inconsistent with the original terms of this PSA.

16 Notices. Notices and communications required by this PSA shall be in writing and may be delivered in person, by courier, transmitted by facsimile, or mailed prepaid first class, return receipt requested, to the respective parties at the address listed herein or other address most recently designated in writing. Notices directed to BenTek shall be sent "Attention: Chief Financial Officer, BenTek, Inc., 11505 Fairchild Gardens Avenue, Suite 102, Palm Beach Gardens, Florida 33410."

17 Effective Date. The Effective Date of this PSA shall be the date signed by BenTek.

18 No Waiver of Governmental Immunity. Nothing contained in this Agreement shall be construed as a waiver of Client's governmental immunity, or of any damage caps or limitations imposed by law, or any other legal protections granted to Client by law, except to the extent expressly provided or necessarily implied herein.
