
City Council Regular Meeting

DEPARTMENT: Capital Engineering Department
FROM: Eric Oscarson, Deputy City Manager
MEETING: December 9, 2024

SUBJECT:

Consider approval of a Union Pacific Railroad (UPRR) permit agreement for modifications to the Commerce Street/UPRR crossing and associated funding in the amount of \$72,186.00 in association with the Neighborhood Street Rebuilds FY22 project (ST2250). *(Staff Presenter: Eric Oscarson, Deputy City Manager)*

SUMMARY:

The Neighborhood Street Rebuilds FY22 (ST2250) project was awarded to Texas Material Group, Inc., dba Texas Bit on May 15, 2023. The project included the repaving of N. Commerce St. from the I-35W Service Rd. to the SH 174 Service Rd. The work on N. Commerce St. included modifications to the N. Commerce St. cross section on the west side of UPRR crossing. These modifications include the extension of an existing storm drain box culvert and the widening of the pavement through the curve towards the SH 174 service road. These modifications are intended to facilitate the turning movements for large trucks.

Because this portion of N. Commerce St. is located within UPRR rights-of-way, UPRR determined that the current permit for the quiet zone did not cover modifications to the existing street cross section. A request for a new permit was made and during the review process, UPRR also determined that modifications were necessary to their crossing infrastructure. This modification is the addition of one crossing panel.

UPRR has processed the revised permit and the associated costs and submitted the agreement paperwork to the City of Burleson for execution.

RECOMMENDATION:

Approve a Union Pacific Railroad (UPRR) permit agreement for modifications to the Commerce Street/UPRR crossing and associated funding in the amount of

\$72,186.00 in association with the Neighborhood Street Rebuilds FY22 project (ST2250).

PRIOR ACTION/INPUT (Council, Boards, Citizens):

- Approval of construction contract with Texas Materials Group, Inc., dba Texas Bit for the Neighborhood Street Rebuilds FY22 project, May 15, 2023.
