
CITY COUNCIL POLICY #39- CITY COUNCIL TECHNOLOGY

JANUARY 22, 2024 CITY COUNCIL MEETING

- Council Policy #39 – City Council Technology Allowance adopted 2021
 - Removed it from the annual budget process where it was before
- Removed the process from the annual city budget and dedicates the amount
 - Repealing will add the process back into the budget process to be consider with the entire budget
- I pads issued by the city are at the beginning of a term for new council members
 - Each councilmember has a different version of technology
 - Not all councilmembers use Apple products
- I pads require Apple IDs that must be maintained by city staff
 - This is a security issue

REPEALING CITY COUNCIL POLICY #39
