Re: Authority to Establish Speed Limits in TxDOT Construction Zones

Dear Mr. Salazar:

The city council of the city of Burleson, Texas, at a regular meeting held on July 20, 2026, formally approved a resolution supporting the Texas Department of Transportation (TxDOT) to establish speed limits in construction zones on TxDOT roads by commission minute order. I have enclosed with this letter a copy of the resolution. Please consider this letter as formal support for TxDOT to reduce the regulatory speed limits within construction speed zones on the state-maintained highway system within the city limits of the city of Burleson by commission minute order. As stated in the enclosed resolution, the city of Burleson reserves the right to terminate the support granted by this letter at a later date.

Thank you for your attention to this matter. Should you have need, please feel free to contact me at 817-426-9623.

Sincerely,

Tommy Ludwig
City Manager
City of Burleson
