Waiver to max roof pitch

Old Town Design Standard

Roof pitch Max. = 7:12. Min. = 5:12.

Justification

Applicant is requesting 12:12; which they believe conforms more to the style and examples as contained with the Old Town Design Standards

Examples provided in City of Burleson Old Town Design Standards for "Rural Farmhouse"

Waiver to max roof pitch

Staff supports the waiver as the examples in our Code appear to have roof pitches that exceed 7:12 (30.2 degree slope) and based on the narrowness of townhome (SFA zoned) lots compared to traditional single-family detached.
