## Dell Marketing LP – Minute Order

City Council

December 11th, 2023

# Dell Marketing LP

---

BTX-IT's Life Cycle Management program replaces end-user computers, monitors, and peripheral equipment every four to five years when the warranty on the device(s) has expired.

The Life Cycle program ensures that our staff:

- Are using current technologies
- Have parts and equipment replacement support.
- Ensure we can utilize new applications and updates as they become available.

# Dell Marketing LP

---

BTX-IT will set up a blanket purchase order to Dell in the amount of \$250,800 for the fiscal year to streamline the procurement process using DIR Contract No. DIR-TSO-3763.
