CDW Government LLC – Minute Order

City Council

December 11th, 2023

CDW Government LLC

BTX-IT's Life Cycle Management program adds or replaces wireless access points, security cameras, monitors, and peripheral equipment on a varied lifecycle replacement timeline to improve our service offering.

Equipment replacement occurs after the devices have reached the end of their useful life.

The Life Cycle program ensures that our staff:

- Are using current technologies
- Have parts and equipment replacement support
- Ensure that we are taking advantage of new features and security enhancements provided by the new equipment.

CDW Government LLC

BTX-IT will set up a blanket purchase order to CDW Government LLC in the amount of \$85,000 for the fiscal year to streamline the procurement process using DIR Contract No. DIR-CPO-5093.

CDW Government LLC

Staff Recommendation:

Approve as presented.
