

FY24 Equipment Replacement Purchase

City Council April 1, 2024

Equipment Replacement Fund (ERF) Overview BIX

- Burleson uses a dedicated sinking fund to fund replacement of equipment and vehicles that contribute
- Annual operating budgets for the respective operating departments include payments to the ERF
- The ERF is managed by the Finance Department in coordination with the Equipment Services Division of the Public Works & Engineering Department
- As a general example, consider a \$85,000 asset with a projected 10-year use:
 - Projected \$100,000 replacement cost at year 11
 - Operating department contributes \$10,000/yr for the next 10 years (total \$100,000)
 - Original \$85,000 unit is replaced at year 11

City Fleet Background

- The Equipment Services Division of Public Works & Engineering is responsible for facilitating vehicle and equipment purchases as well as providing maintenance and repair City fleet assets during their life cycle with the City.
- During the budget process each year, Equipment Services works with individual departments and
 performs an analysis of the entire fleet as well as provides a list of assets that have in need of
 replacement for the next fiscal year.
- A scoring system of six criteria provides staff information to consider when recommending retention or replacement of assets.

The scoring system includes:

| Age | Reliability | Usage |
|-----------------|-------------|------------------|
| Type of Service | Condition | Maintenance Cost |

 After review of operational needs with individual departments, Equipment Services works to identify and get competitive pricing on equipment funded through the replacement fund and the supplemental request process.

How Fleet Purchases Equipment and Vehicles (BTX)

- The overall objective of cooperative contracts is to provide a mechanism for all local governments in Texas to pool their collective purchasing power and save funding. The cooperative evaluates vendor proposals on the basis of best value to the cooperative members.
- Cooperative purchasing allows City Staff to efficiently evaluate pricing on products and equipment using defined pricing. Additionally, this process streamlines the time between ordering and placing equipment into service.

FY24 ERF Purchasing

The proposed purchases for FY 24 were identified and reviewed by Public Works & Engineering in 2023. Due to several factors, staff anticipate replacing or purchasing equipment and vehicles throughout the year. Factors include but are not limited to:

- •Availability of equipment on dealership lots
- •Ordering windows for vehicles opening later in the year
- •Purchasing from different vendors or using cooperatives to ensure competitive pricing
- •Lead time to receive the vehicle
- •Ability of vendor to provide a final price quote
- •Original vehicle selection not available finding a suitable alternative

FY24 ERF Purchasing -Phasing

As the budget for FY24 was approved the decision was made to facilitate the procurement of vehicles in phases. As some of the vehicles and equipment are not available to be ordered outside of the ordering window and some of the equipment needed further specification, staff has grouped the purchases of equipment into categories or groups.

These phases or categories include:

- •Equipment such as backhoes, loaders, utility carts.
- •Vehicles such as flat bed trucks, SUV's or pick up trucks (Ordering window opens in June).
- •Emergency service equipment such as Patrol cars for police or Fire equipment(Ordering window opens in June).

FY24 ERF purchasing

| Asset type | Description | Current fleet inventory | Units being Purchased FY24 | Replacement Phase | Council Date |
|------------|-----------------------------|-------------------------|-------------------------------|-------------------|--------------|
| Equipment | Hydro -excavator | 1 | 1 | 1 | April 1 |
| Equipment | Fairway Mower | 2 | 2 | 1 | April 1 |
| Equipment | Utility Carts | 19 | 4 | 1 | April 1 |
| Equipment | Compact Backhoe | 1 | 1 | 1 | April 1 |
| Emergency | Brush Truck(Chassis only) | | 1 | 2 | May 6th |
| Vehicle | Compact Truck | 2 | 2 | 2 | May 6th |
| Vehicle | 1/2 Ton Truck | 32 | 11 | 2 | May 6th |
| Vehicle | 3/4 or 1 ton Truck | 40 | 4 | 2 | May 6th |
| Vehicle | Camera Van -Wastewater | 1 | 1 | 2 | May 6th |
| Emergency | EMS Mule | 0 | 1 | 2 | May 6th |
| Emergency | PD Admin Unmarked No lights | 3 | 2 | 3 | May 20th |
| Emergency | PD Patrol Tahoe | 46 | 1 | 3 | May 20th |

FY24 Equipment Purchase

| Equipment number | Description | Assignment | FY 24 Budget | Cost | Vendor |
|------------------|-----------------|--------------------------------------|--------------|-----------|-----------------------------|
| 649 | Utility Cart | Parks-Athletic Fields | \$12,234 | \$8,978 | John Deere |
| 1526 | Utility Cart | Hidden Creek Golf Course | \$11,341 | \$8,978 | John Deere |
| 1527 | Utility Cart | Hidden Creek Golf Course | \$11,341 | \$8,978 | John Deere |
| 1528 | Utility Cart | Hidden Creek Golf Course | \$11,341 | \$8,978 | John Deere |
| 1533 | Fairway Mower | Hidden Creek Golf Course | \$74,957 | \$84,518* | Turf and Soil Management |
| 1534 | Fairway Mower | Hidden Creek Golf Course | \$72,774 | \$84,518* | Turf and Soil Management |
| 182 | Tractor/Backhoe | Parks- Maintenance | \$33,697 | \$36,191* | Bobcat of North Texas |
| 576 | Hydro Excavator | Public Works- Water Operations | \$179,305 | \$173,701 | CLS Sewer Equipment |

^{*}Replacement equipment pricing was above FY24 budget, however ERF is able to accommodate the additional cost and will be factored into future contribution rate.

To ensure that the pricing in the proposed cooperative purchasing contracts is fair and competitive, City Staff reached out to multiple dealerships and vendors in the DFW area for each piece of equipment identified. Utilizing cooperative purchasing to procure equipment in this instance allows the city to procure equipment at a lower cost.

| Equipment number | Description | Low bid | Alternative 2 | Alternative 3 |
|------------------|-------------------------|--------------|---------------|---------------|
| 649 | Toro Workman | \$8,978.00 | \$10,509.00 | \$11,885.00 |
| 1526 | Cushman cart | \$8,978.00 | \$10,509.00 | \$11,885.00 |
| 1527 | Cushman cart | \$8,978.00 | \$10,509.00 | \$11,885.00 |
| 1528 | Cushman cart | \$8,978.00 | \$10,509.00 | \$11,885.00 |
| 1533 | John Deere Mower | \$84,518.00 | \$84,725.00 | \$87,656.00 |
| 1534 | John Deere Mower | \$84,518.00 | \$84,725.00 | \$87,656.00 |
| 182 | Kubota Backhoe | \$36,191.00 | \$40,021.00 | \$42,536.00 |
| 576 | Vermeer Hydro Excavator | \$173,701.00 | \$197,321.00 | \$226,458.00 |

APPROVAL RECOMMENDED

| Approval of contracts with: |
|---|
| Deere and Company, via United Ag and Turf |
| Bobcat Company via Bobcat of North Texas |
| CLS Sewer Equipment Co. |
| Turf and Soil Management, LLC |
