SIGNATURE PROJECTS

Southeast Metro Park – Austin, TX

This playground is for all ages and abilities; and somewhat of an outdoor museum. Its focal point is that of a Mosasaur, a prehistoric sea creature, discovered years ago in Travis County. Children are able to explore the full-length skeleton of the Mosasaur including crawling through the gigantic open toothed mouth. The playground provides a colorful and inclusive experience with its custom GFRC sea turtles and sea coral climbers, half spheres and other playful landscape features. It is completed with poured-in-place rubber safety surfacing.

Total Cost: \$600,000

College View Park – Carthage, TX

This 3-acre park is designed to reach all ages and abilities! It includes a GameTime inclusive play structure with integrated shade and freestanding play items consisting of an arch saucer swing, a 3-bay swing with adaptive seats, an inclusive whirl, multiple sensory wave seats, a Tri Runner and freestanding musical components. The project is completed with 7400 sq ft of poured-in-place rubber safety surfacing. A walking path wraps the area with multiple freestanding fitness components, several shades with benches and a gazebo.

Total Cost: \$700,000

Alcott Station Park – Mesquite, TX

This unique 5 acre park features a large GameTime Modern City play structure with beautiful turf safety surfacing as well as a Thrive 450 adult outdoor fitness area with poured-in-place rubber safety surfacing; and a two mile walking trail connecting all the other amenities in the park. Employees of the adjacent businesses as well as residents of the local neighborhoods are sure to utilize this beautiful space.
